

Figure AN-1

Anesthesiology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=25)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

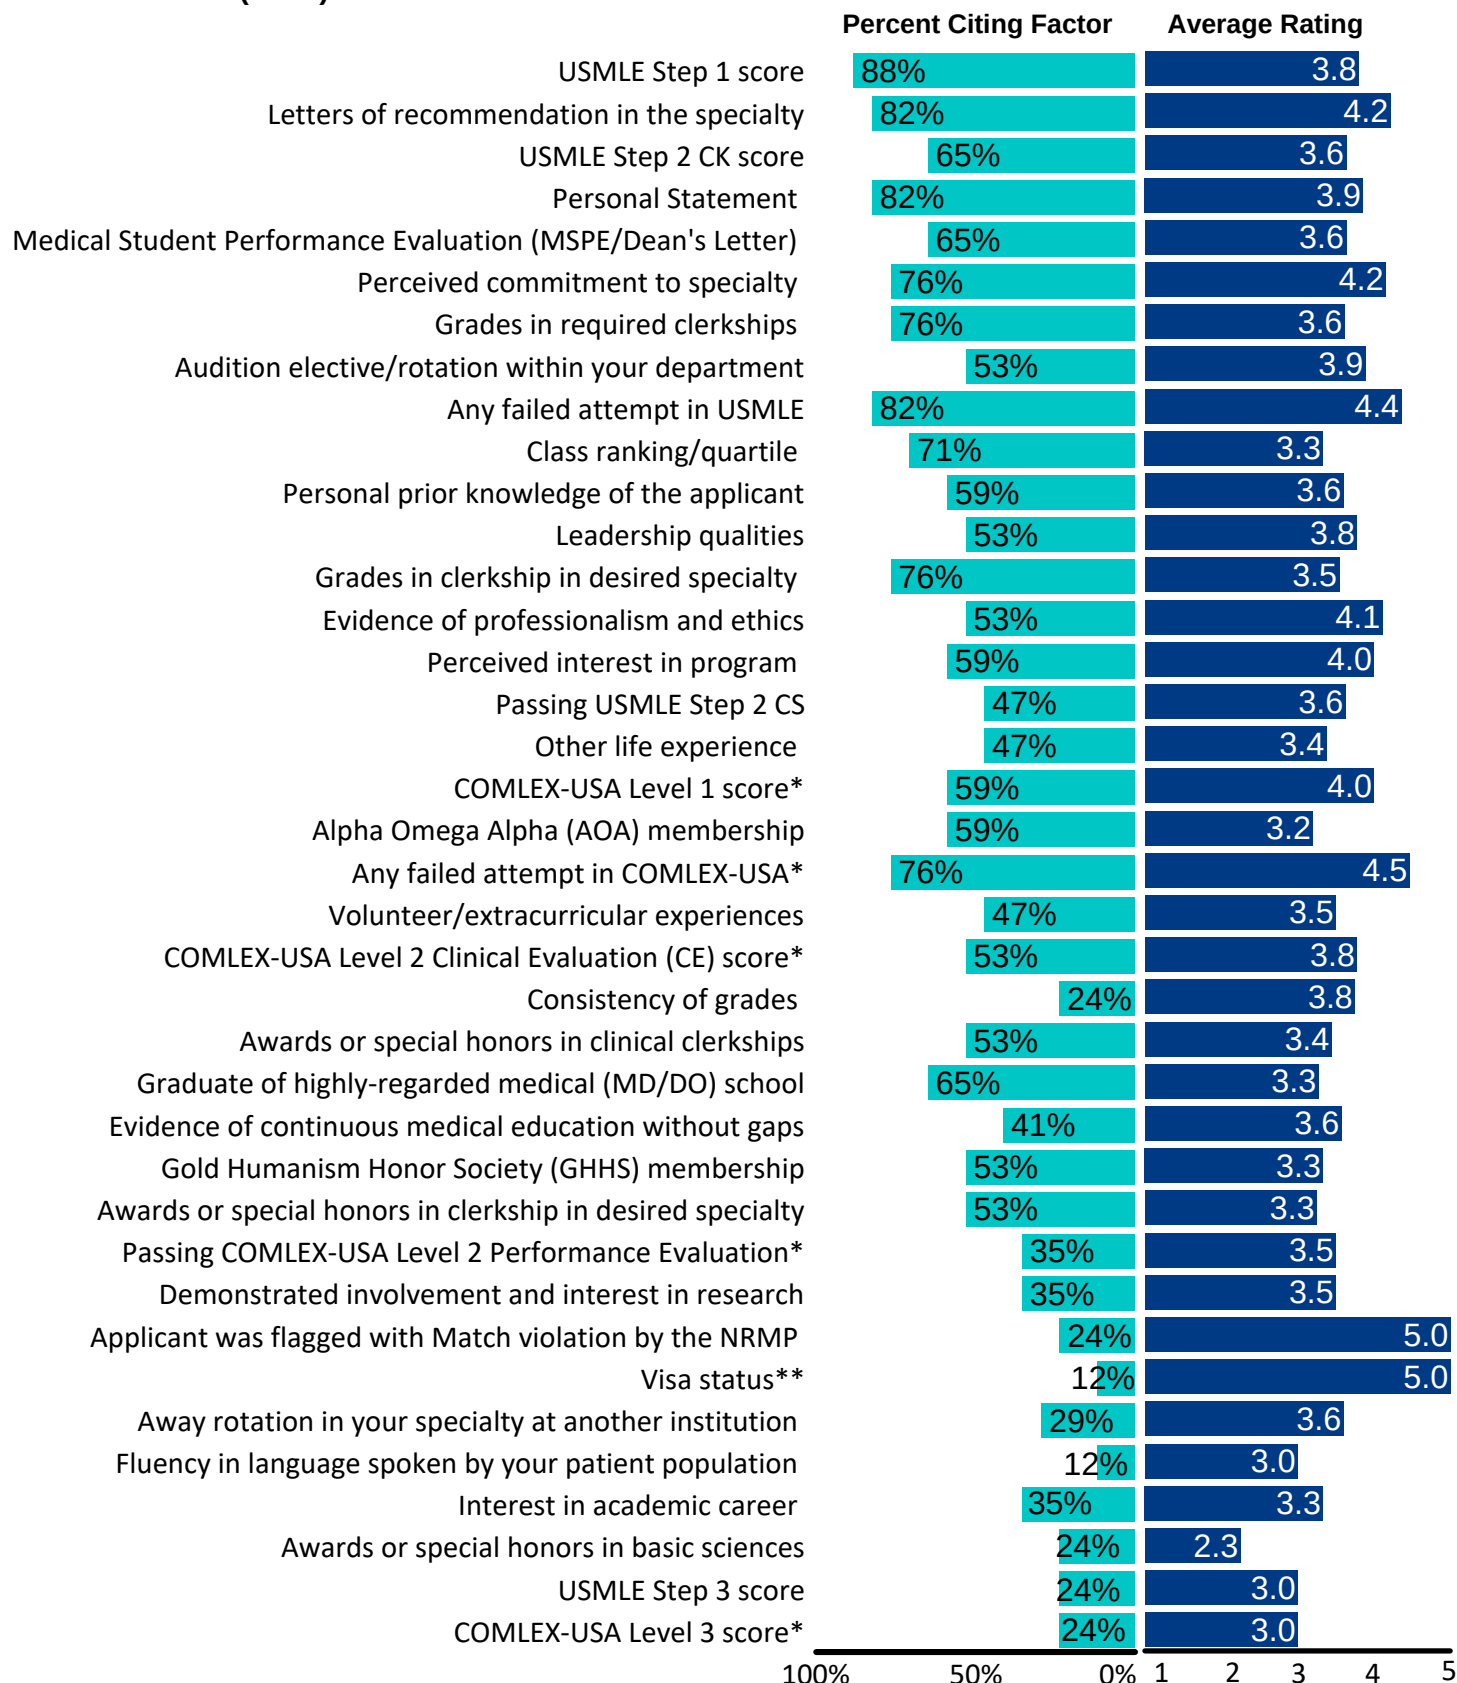

* DO seniors/graduates only.

** International Medical Graduates only.

Figure CN-1

Child Neurology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=17)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

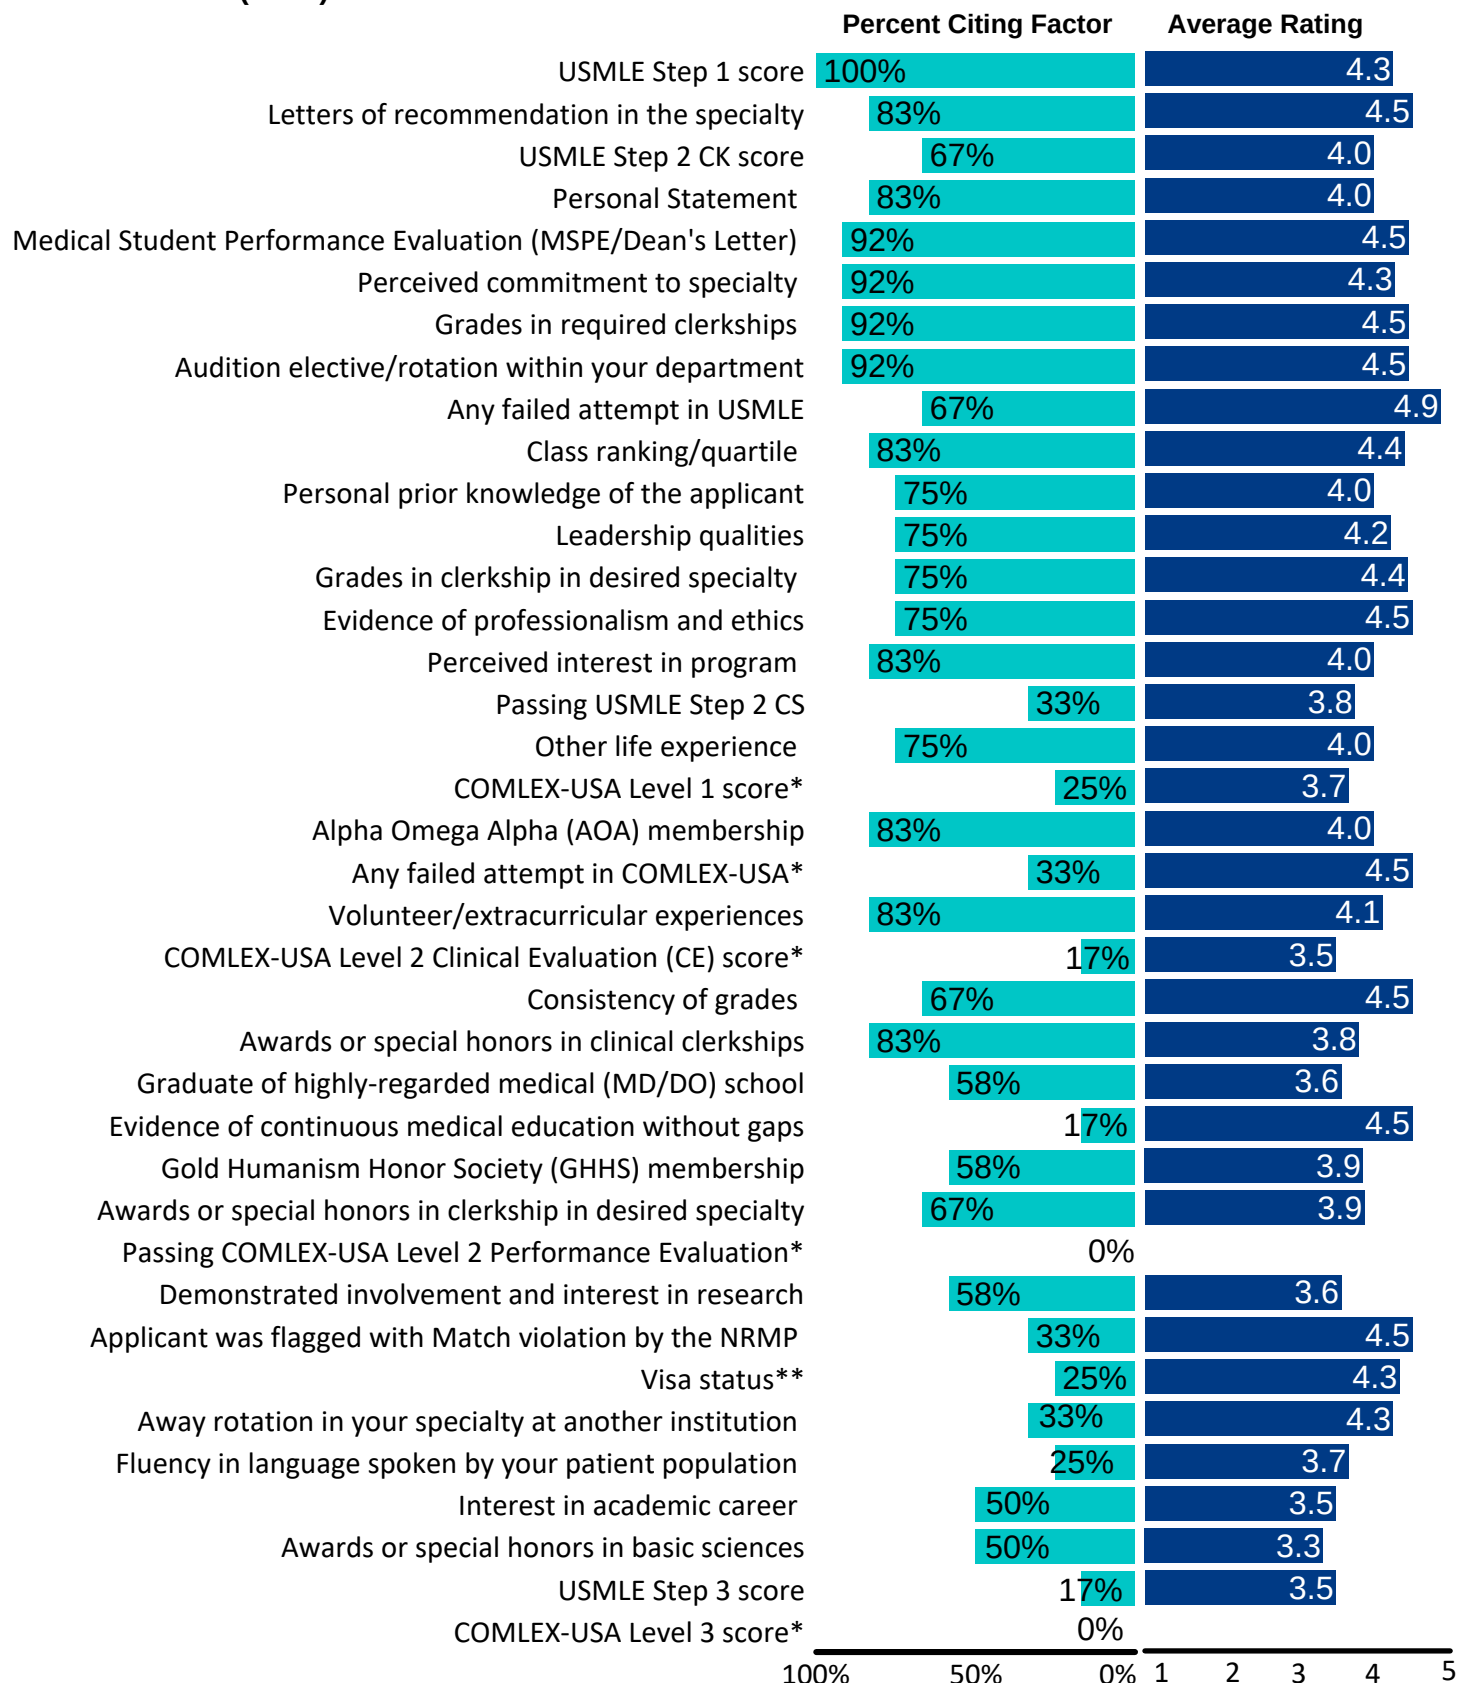

* DO seniors/graduates only.

** International Medical Graduates only.

Figure D-1

Dermatology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=12)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

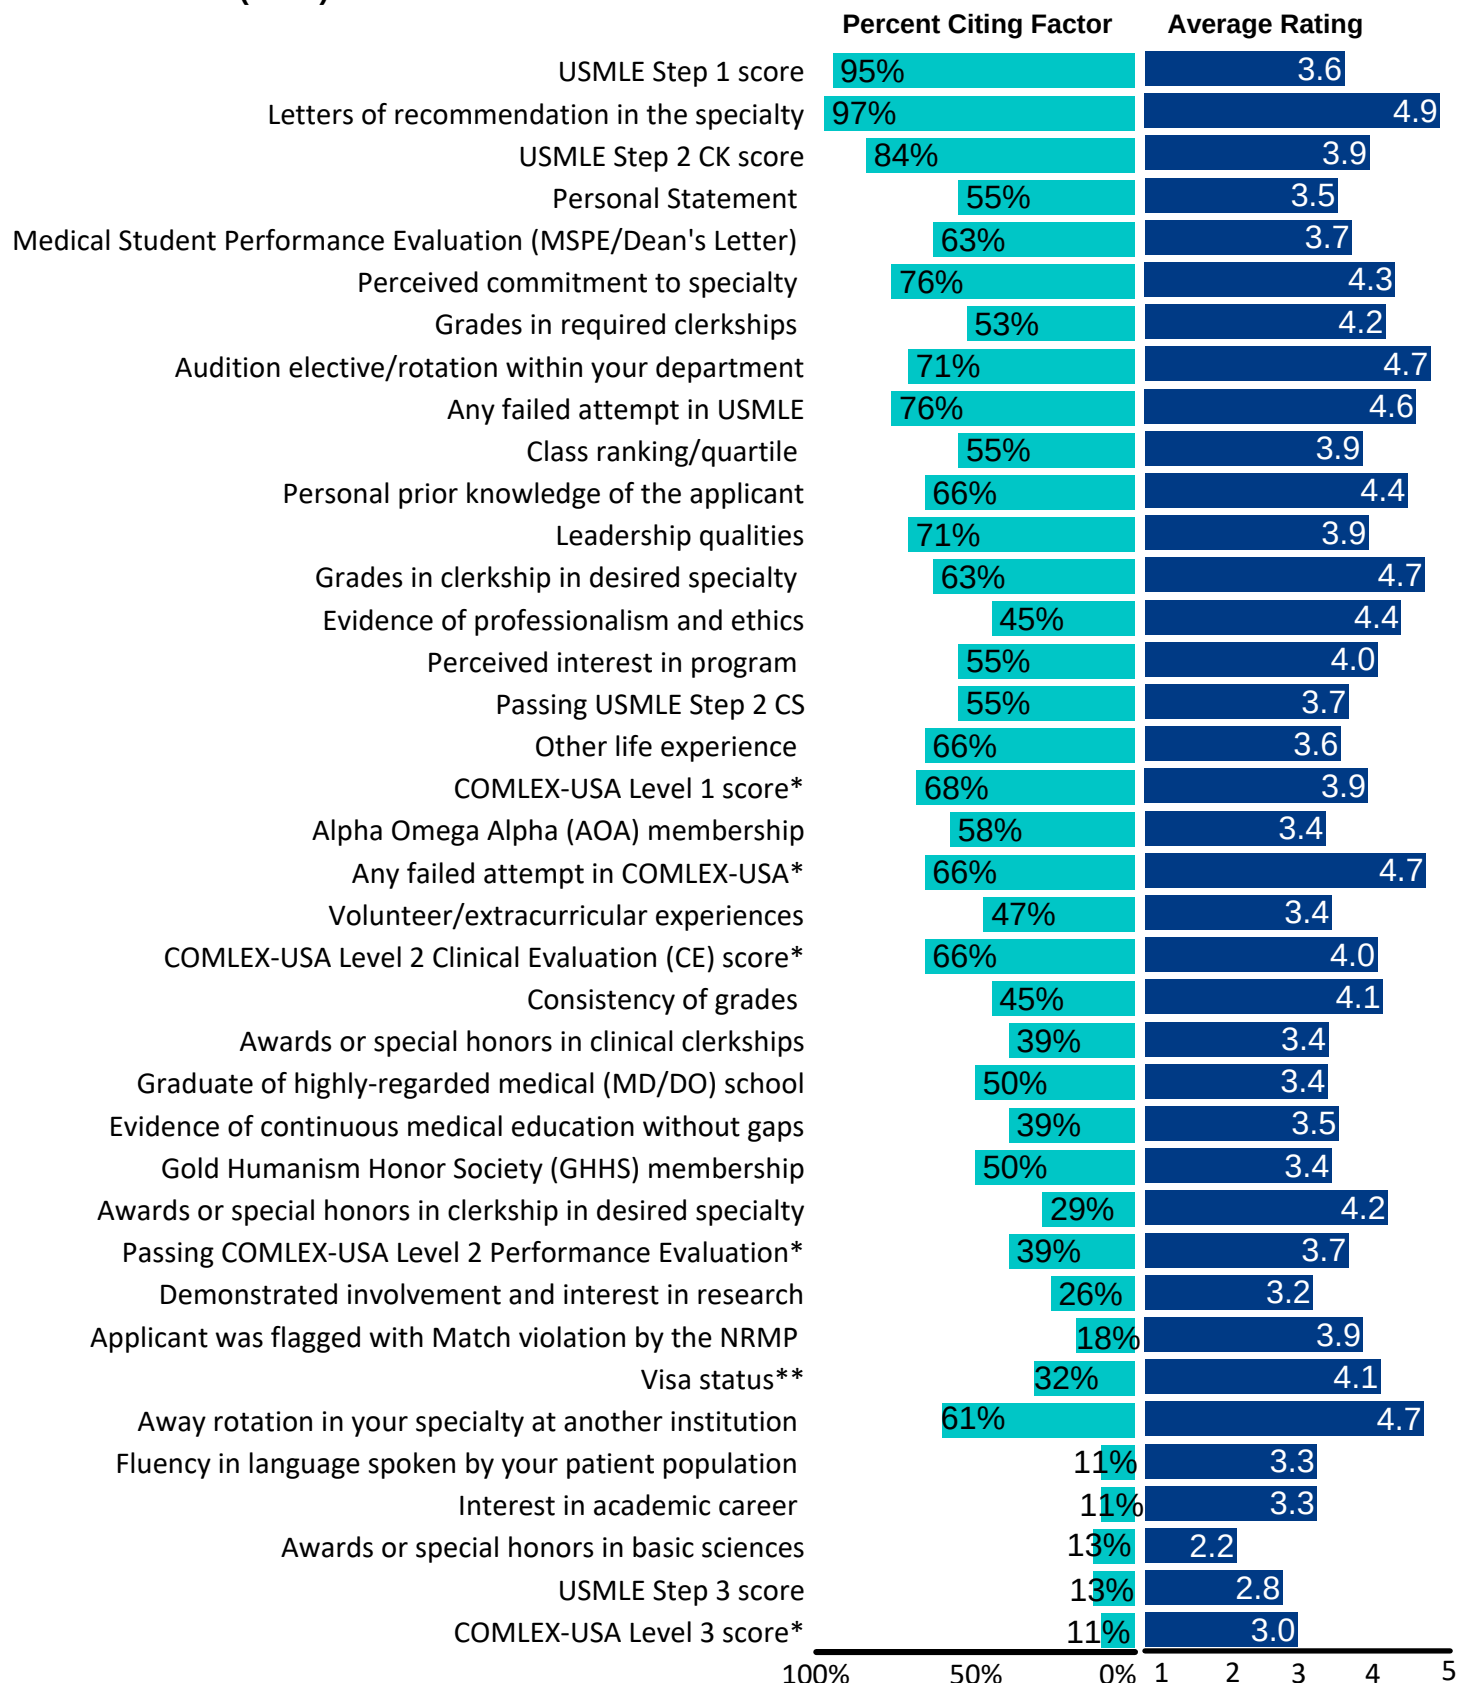

* DO seniors/graduates only.

** International Medical Graduates only.

Figure EM-1

Emergency Medicine

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=38)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

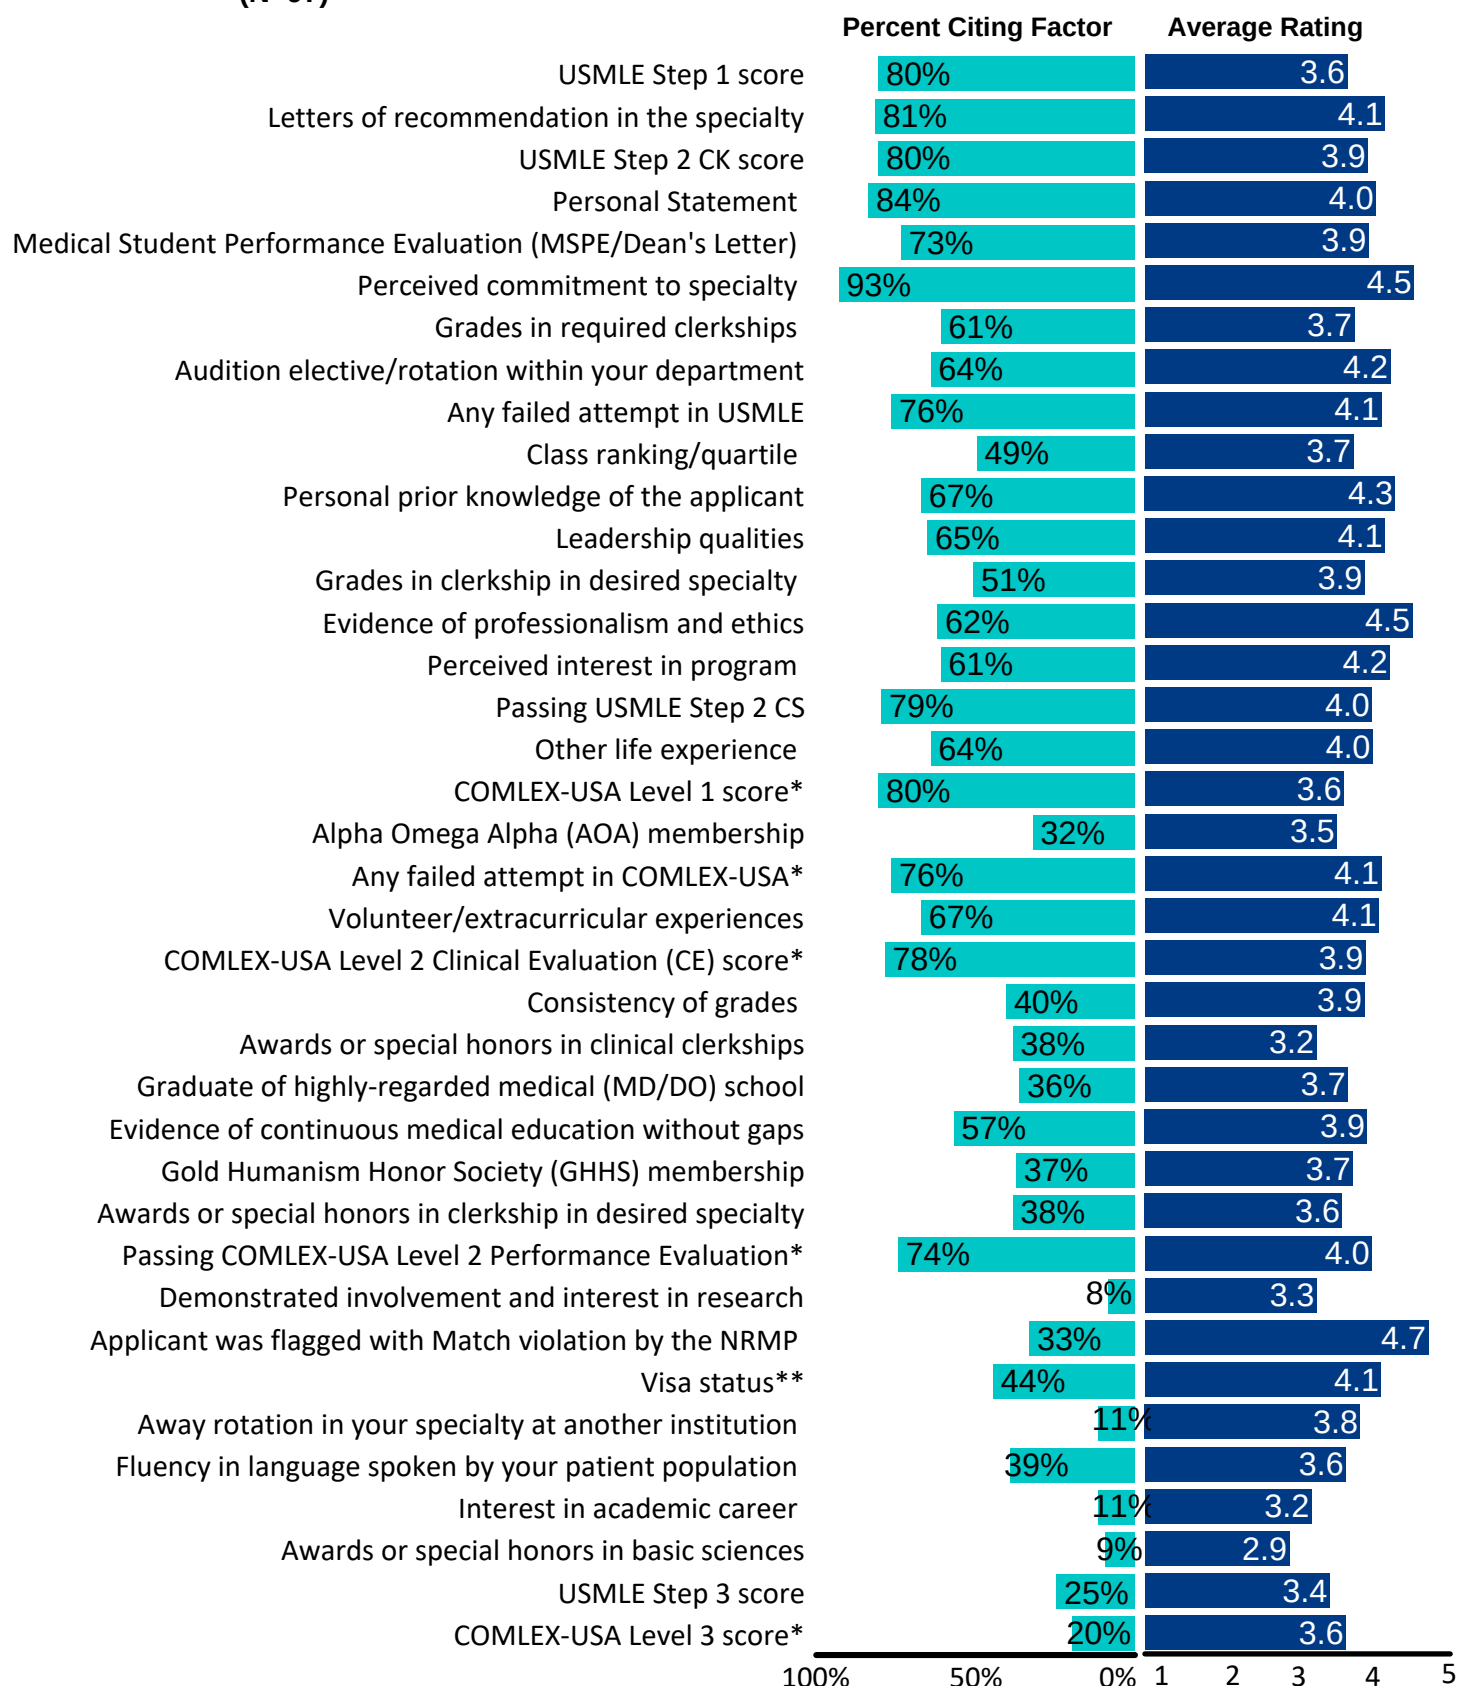

* DO seniors/graduates only.

** International Medical Graduates only.

Figure FM-1

Family Medicine

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=97)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

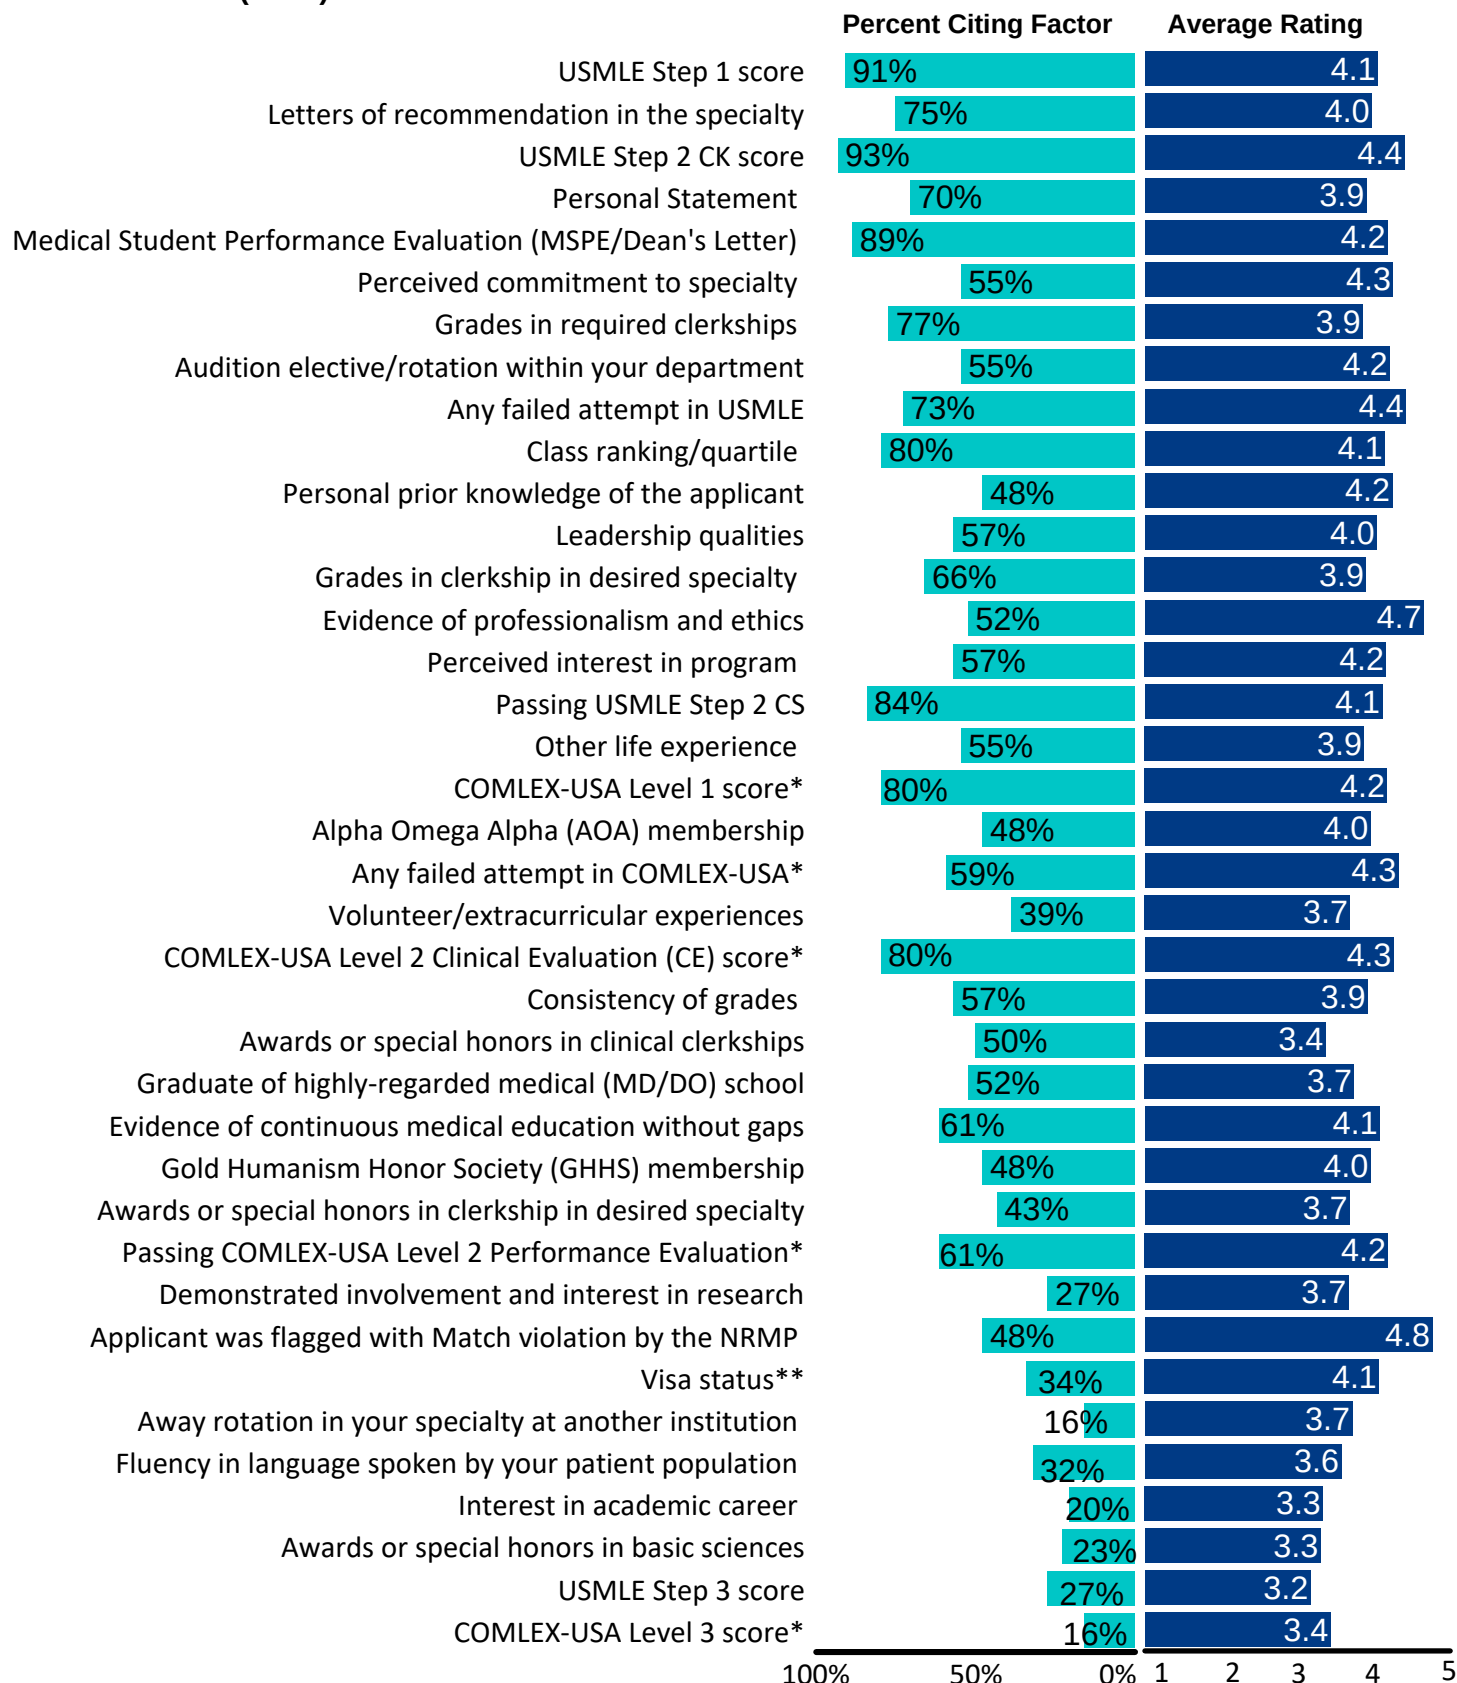

* DO seniors/graduates only.

** International Medical Graduates only.

Figure IM-1

Internal Medicine

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=44)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

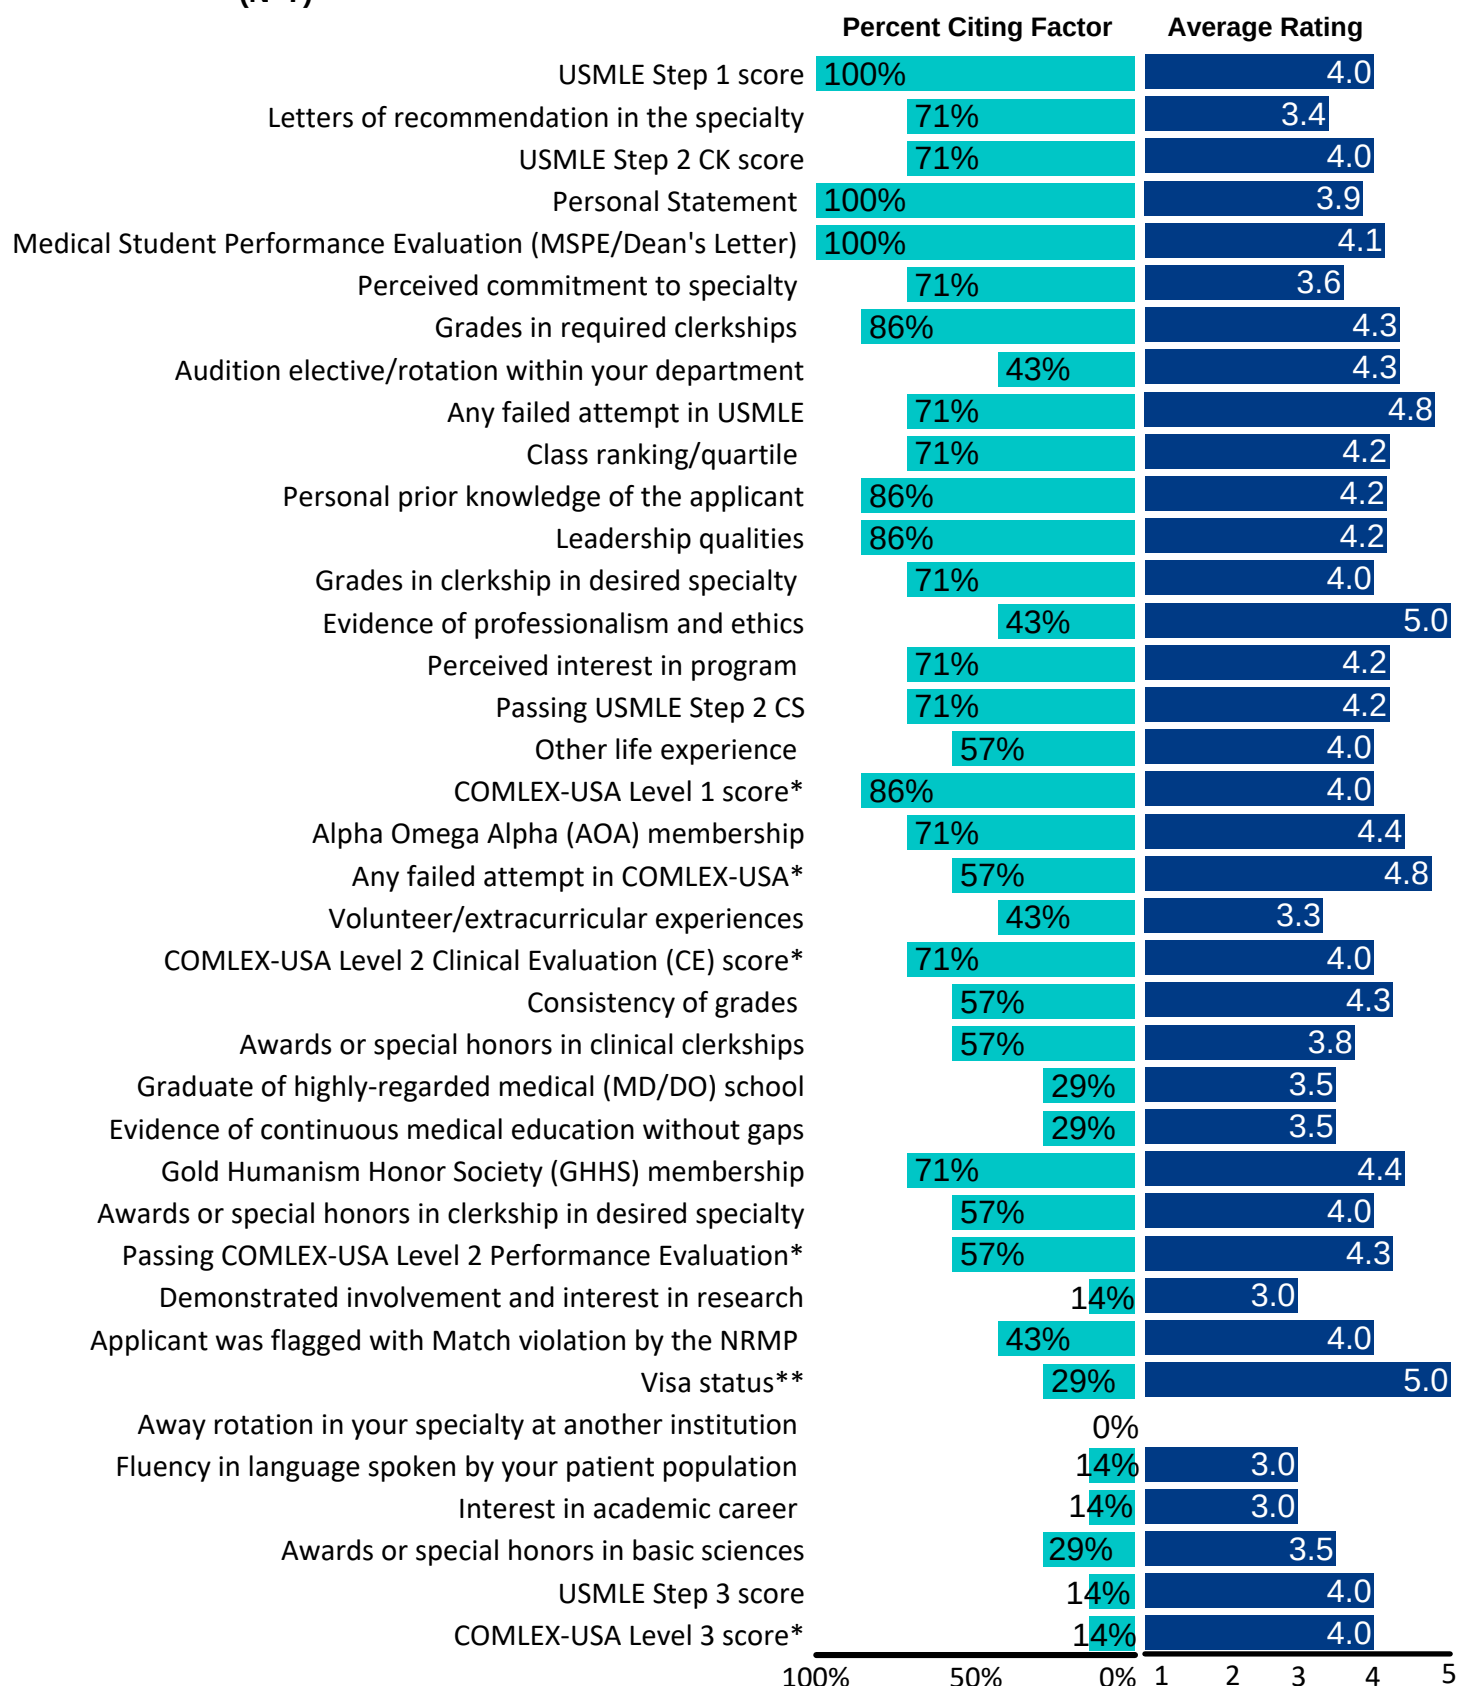

* DO seniors/graduates only.

** International Medical Graduates only.

Figure IMP-1

Internal Medicine/Pediatrics

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=7)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

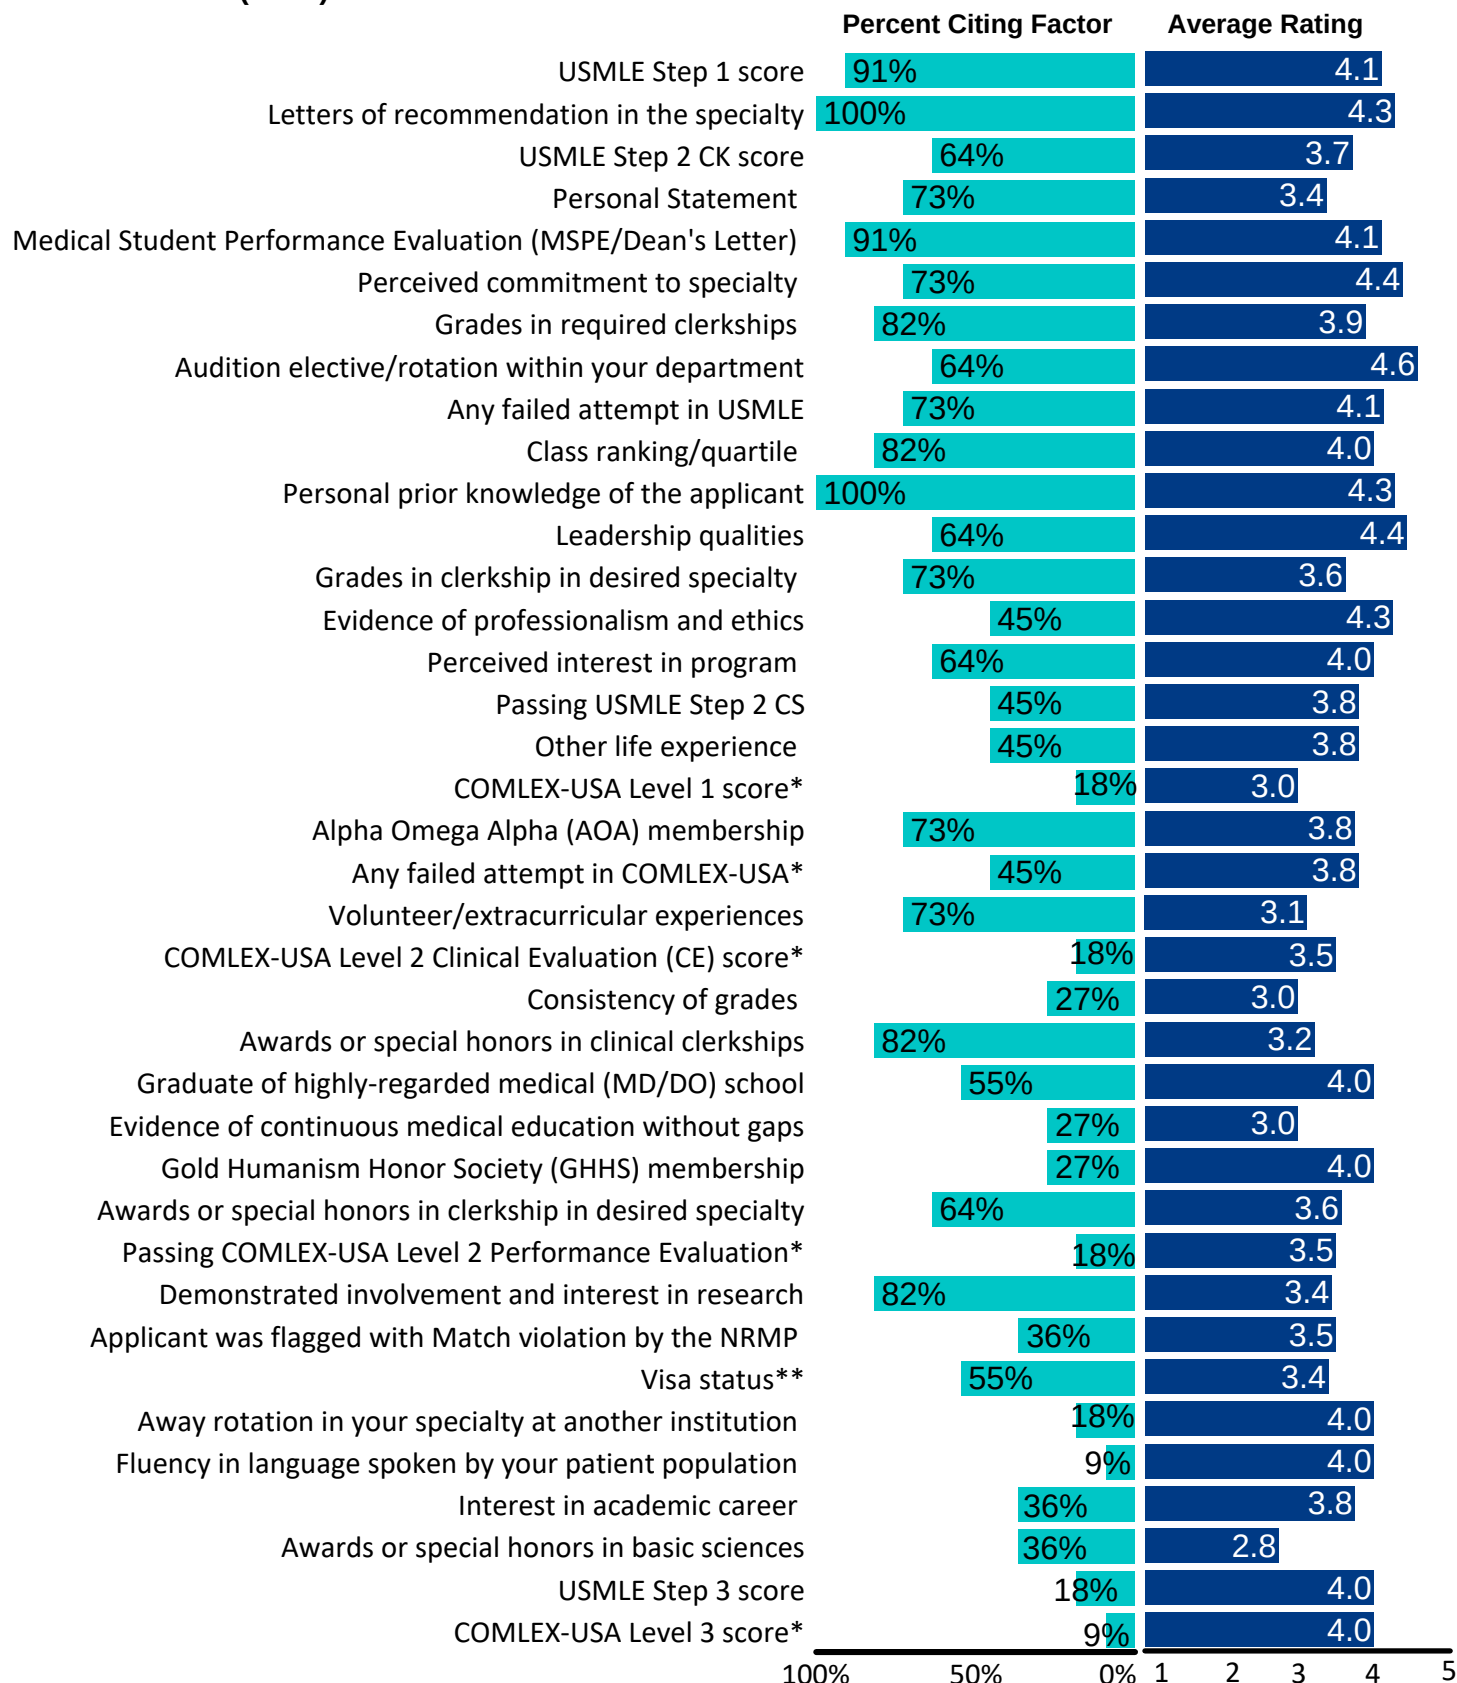

* DO seniors/graduates only.

** International Medical Graduates only.

Figure IR-1

Interventional Radiology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=11)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

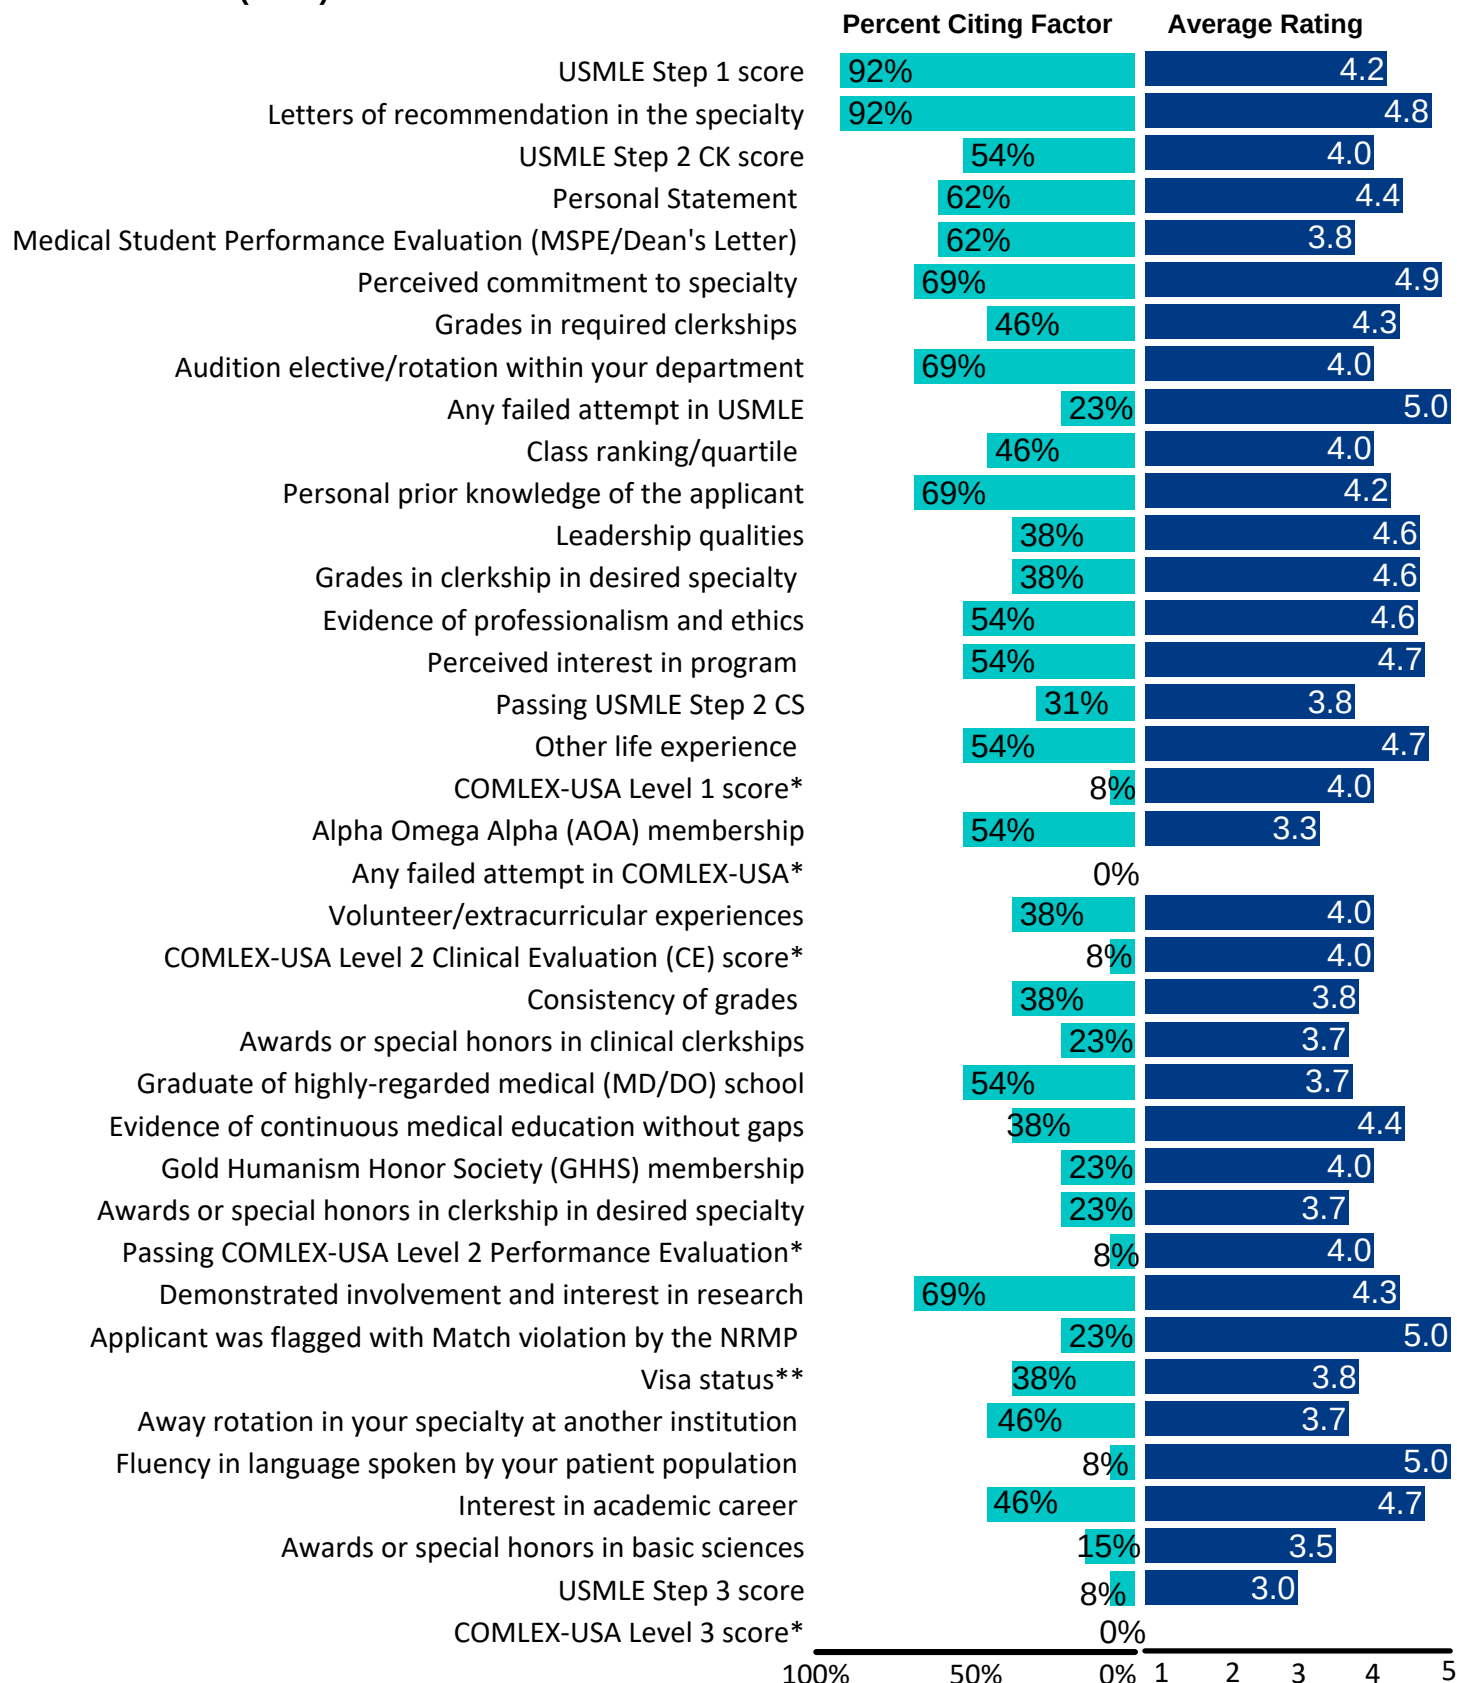

* DO seniors/graduates only.

** International Medical Graduates only.

Figure NS-1

Neurological Surgery

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=13)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

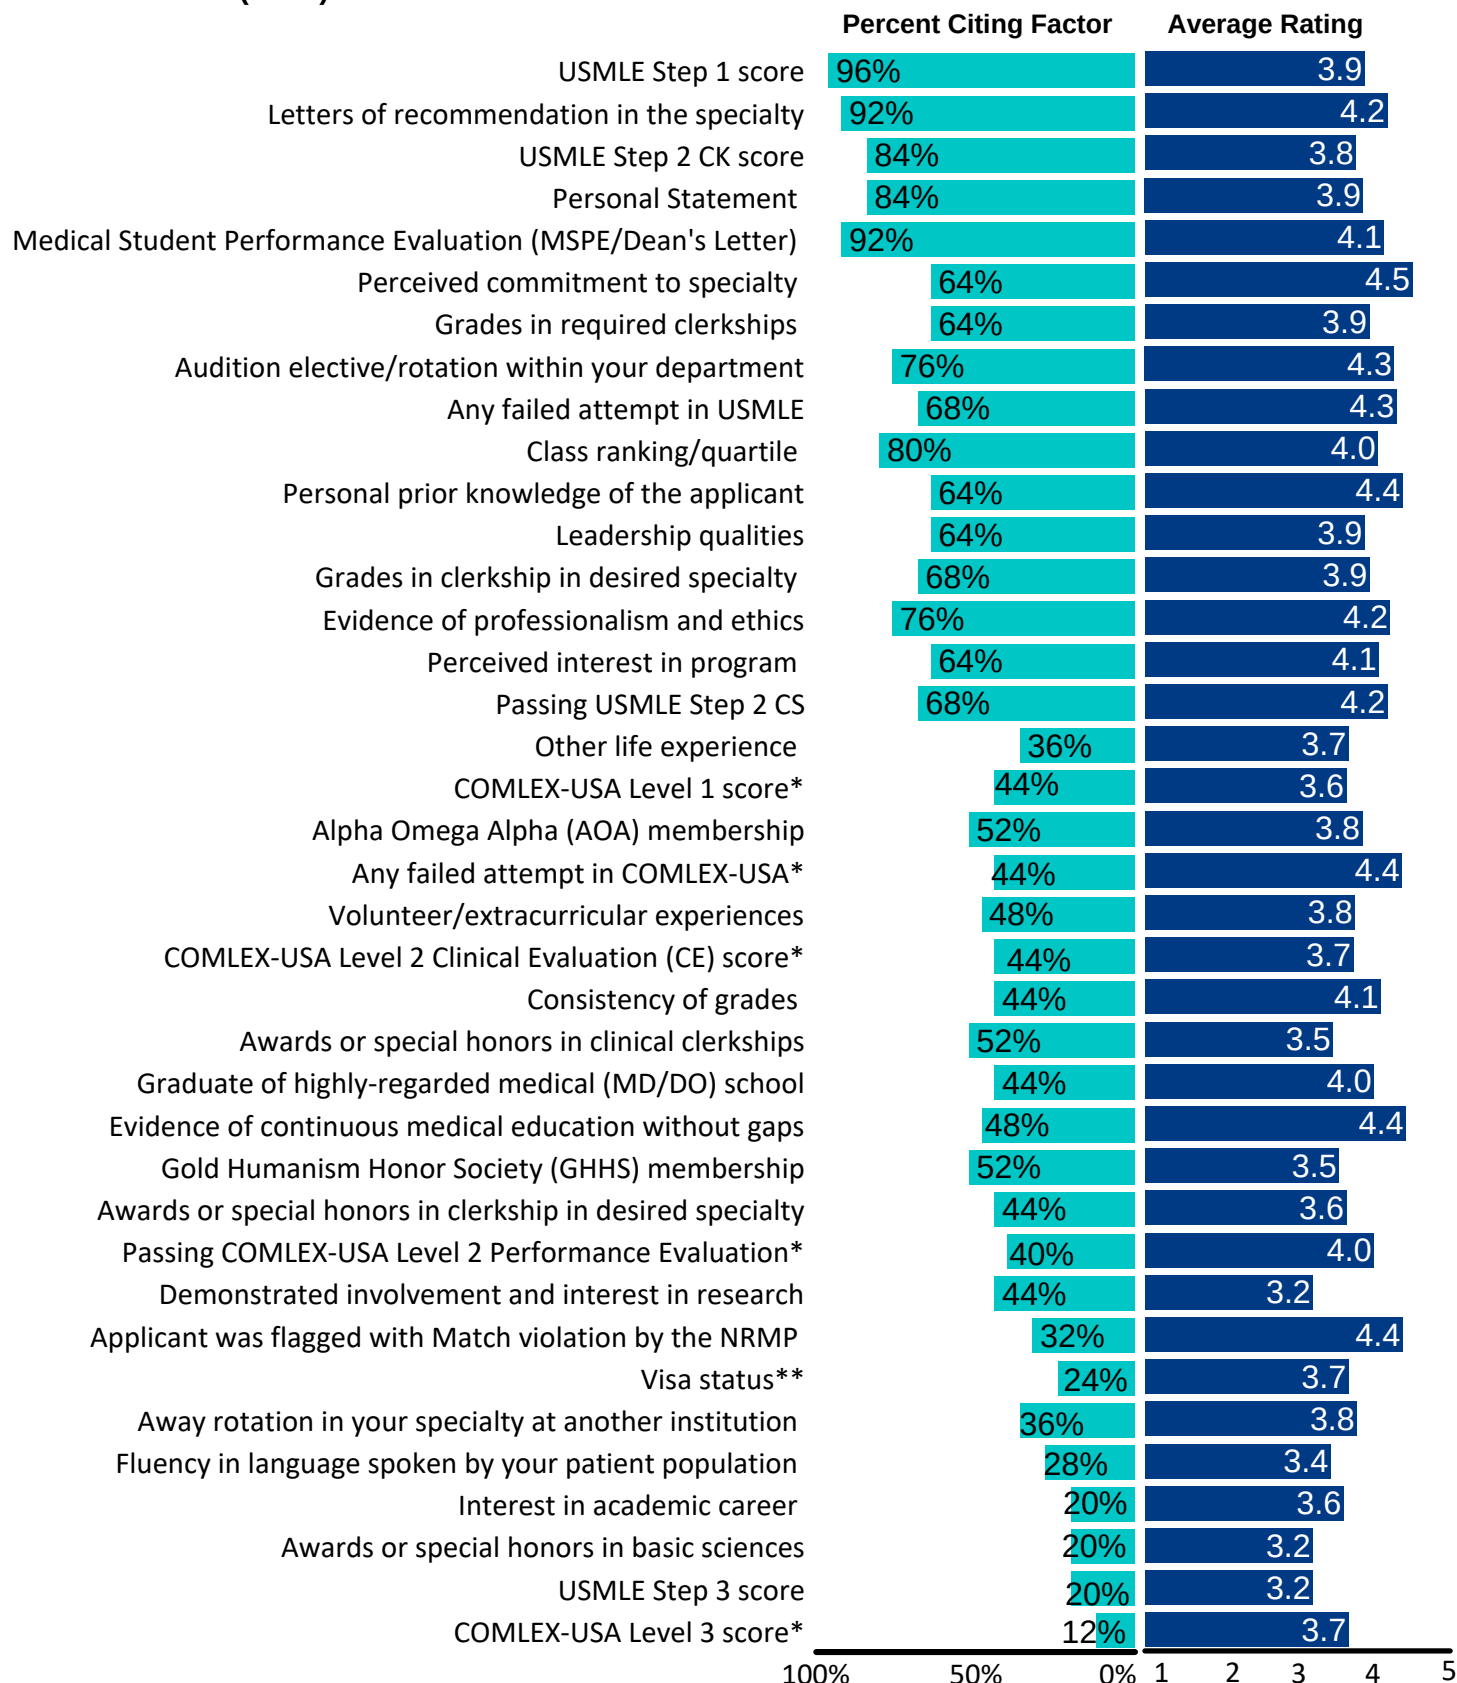

* DO seniors/graduates only.

** International Medical Graduates only.

Figure N-1

Neurology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=25)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

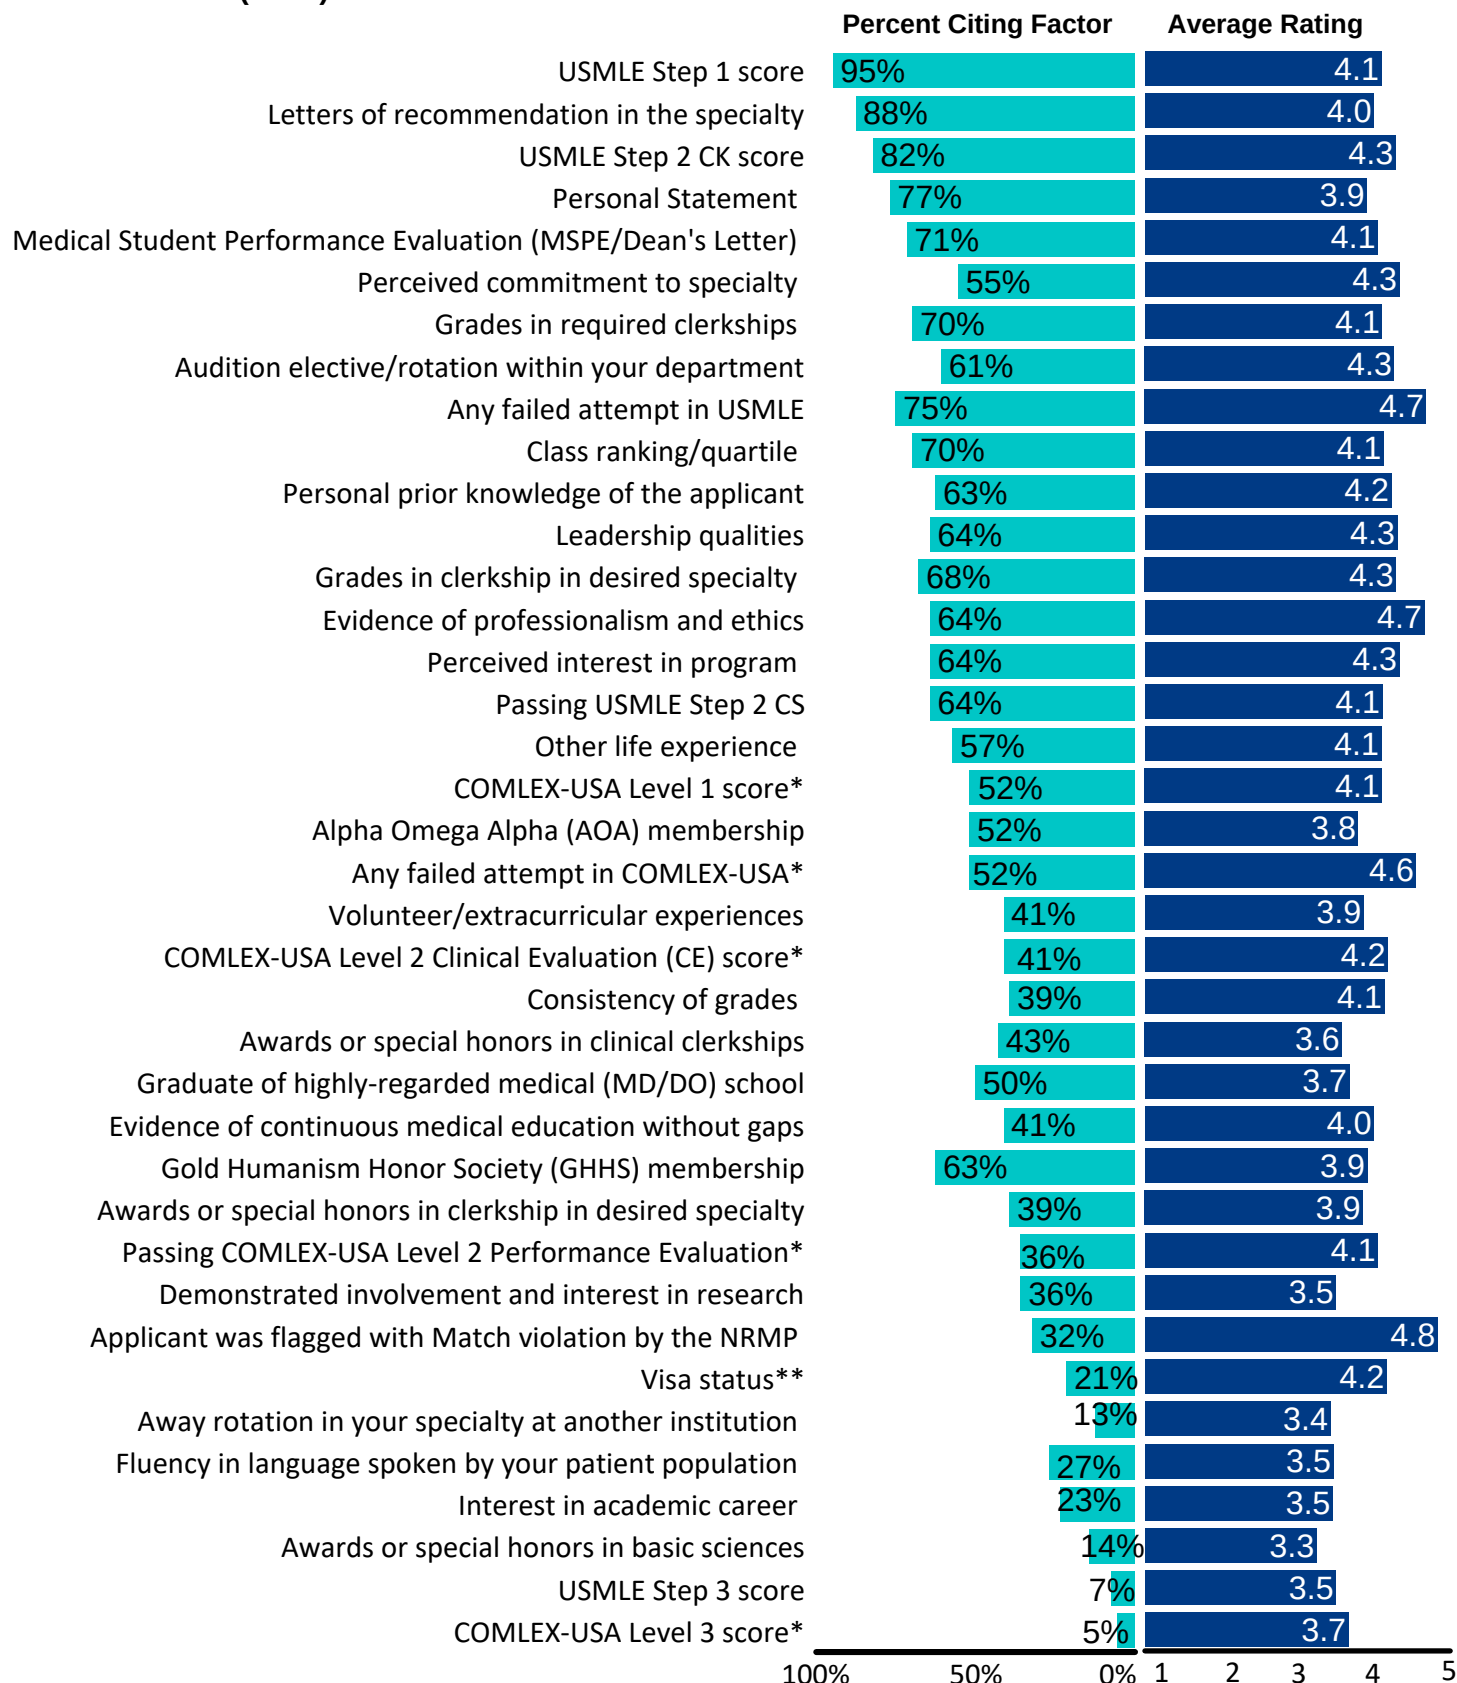

* DO seniors/graduates only.

** International Medical Graduates only.

Figure OG-1

Obstetrics and Gynecology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=56)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

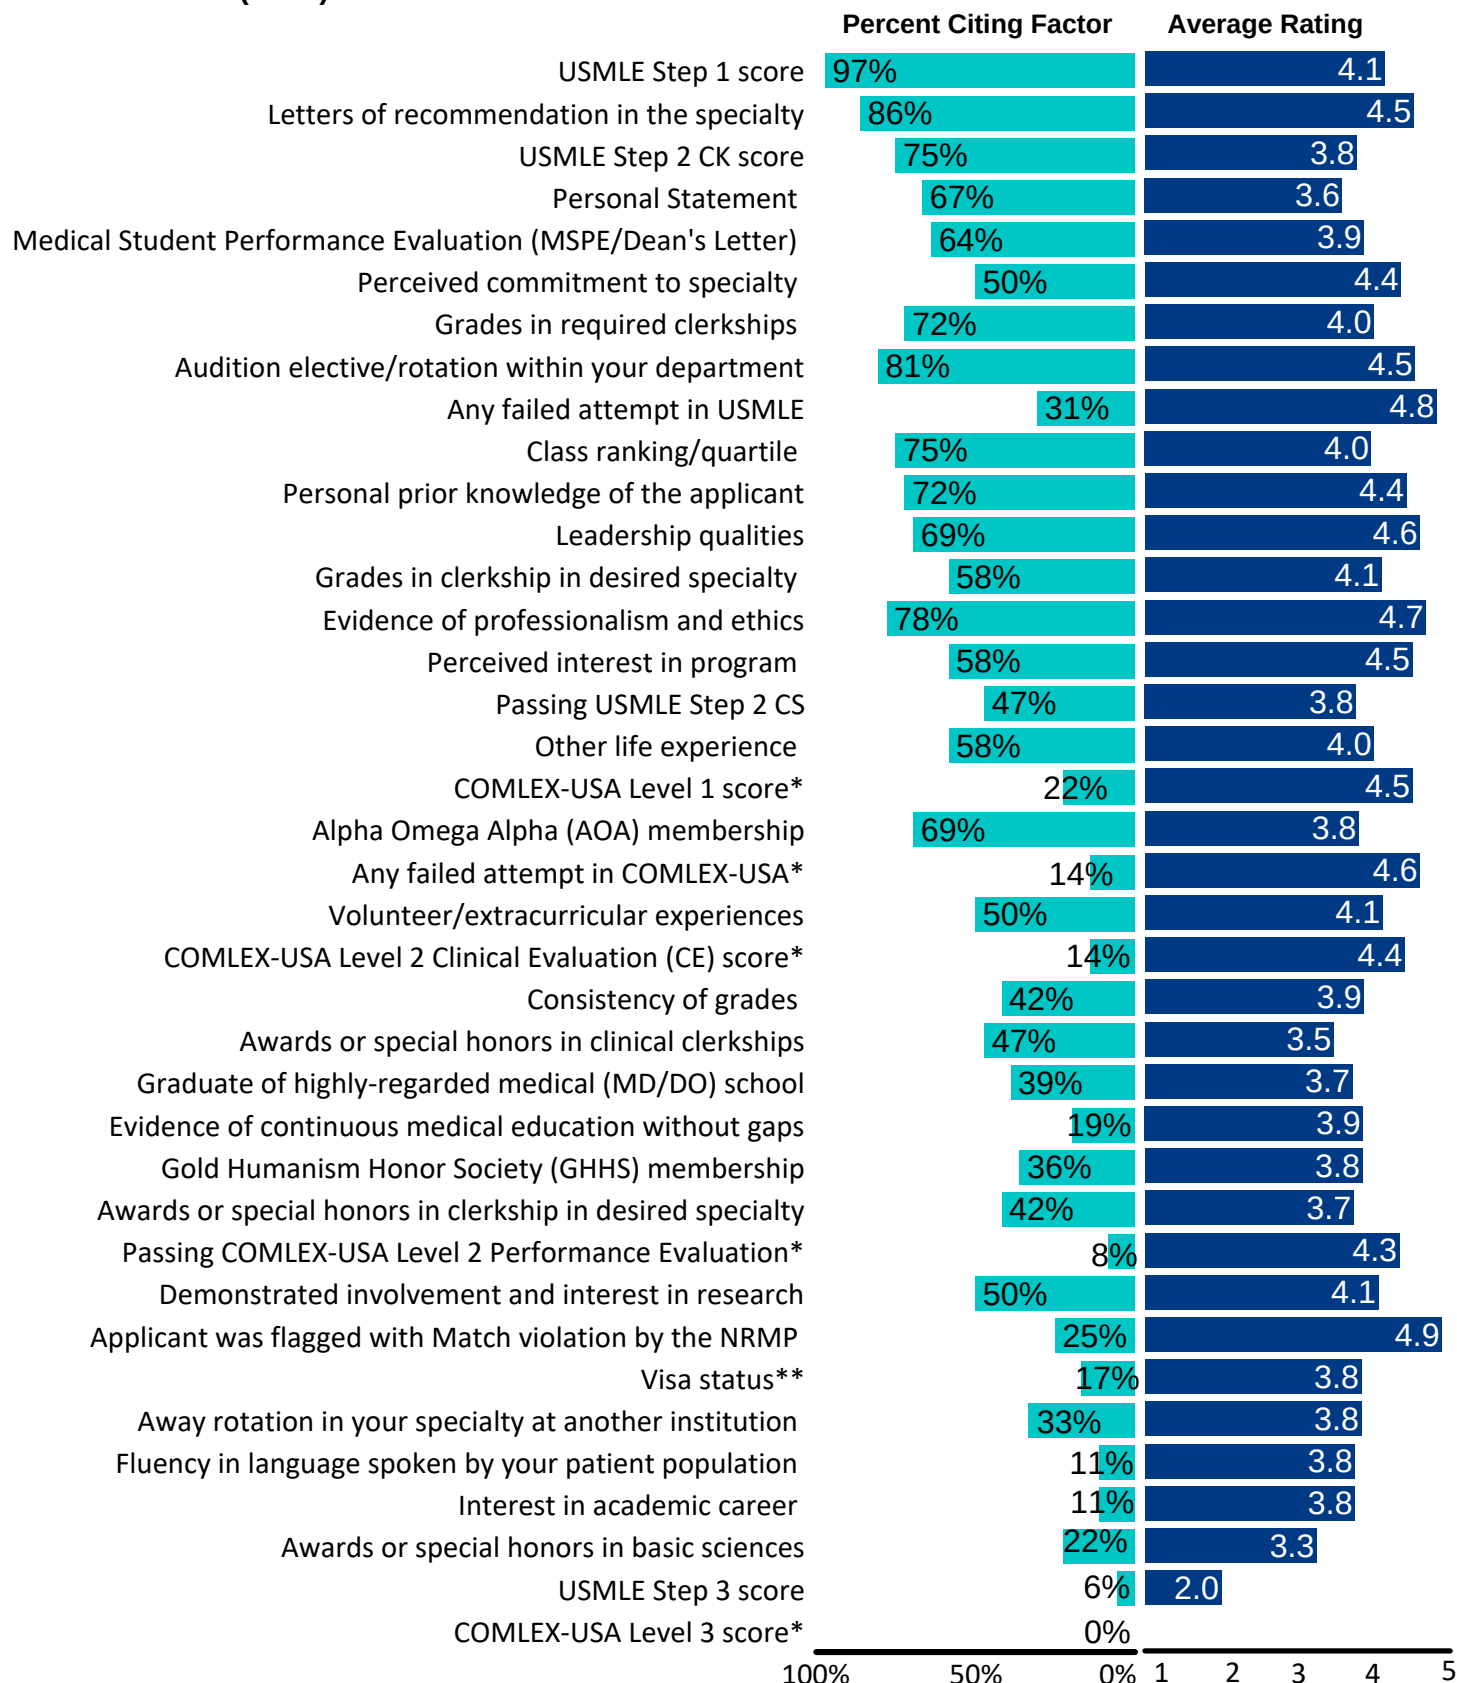

* DO seniors/graduates only.

** International Medical Graduates only.

Figure OS-1

Orthopaedic Surgery

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=36)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

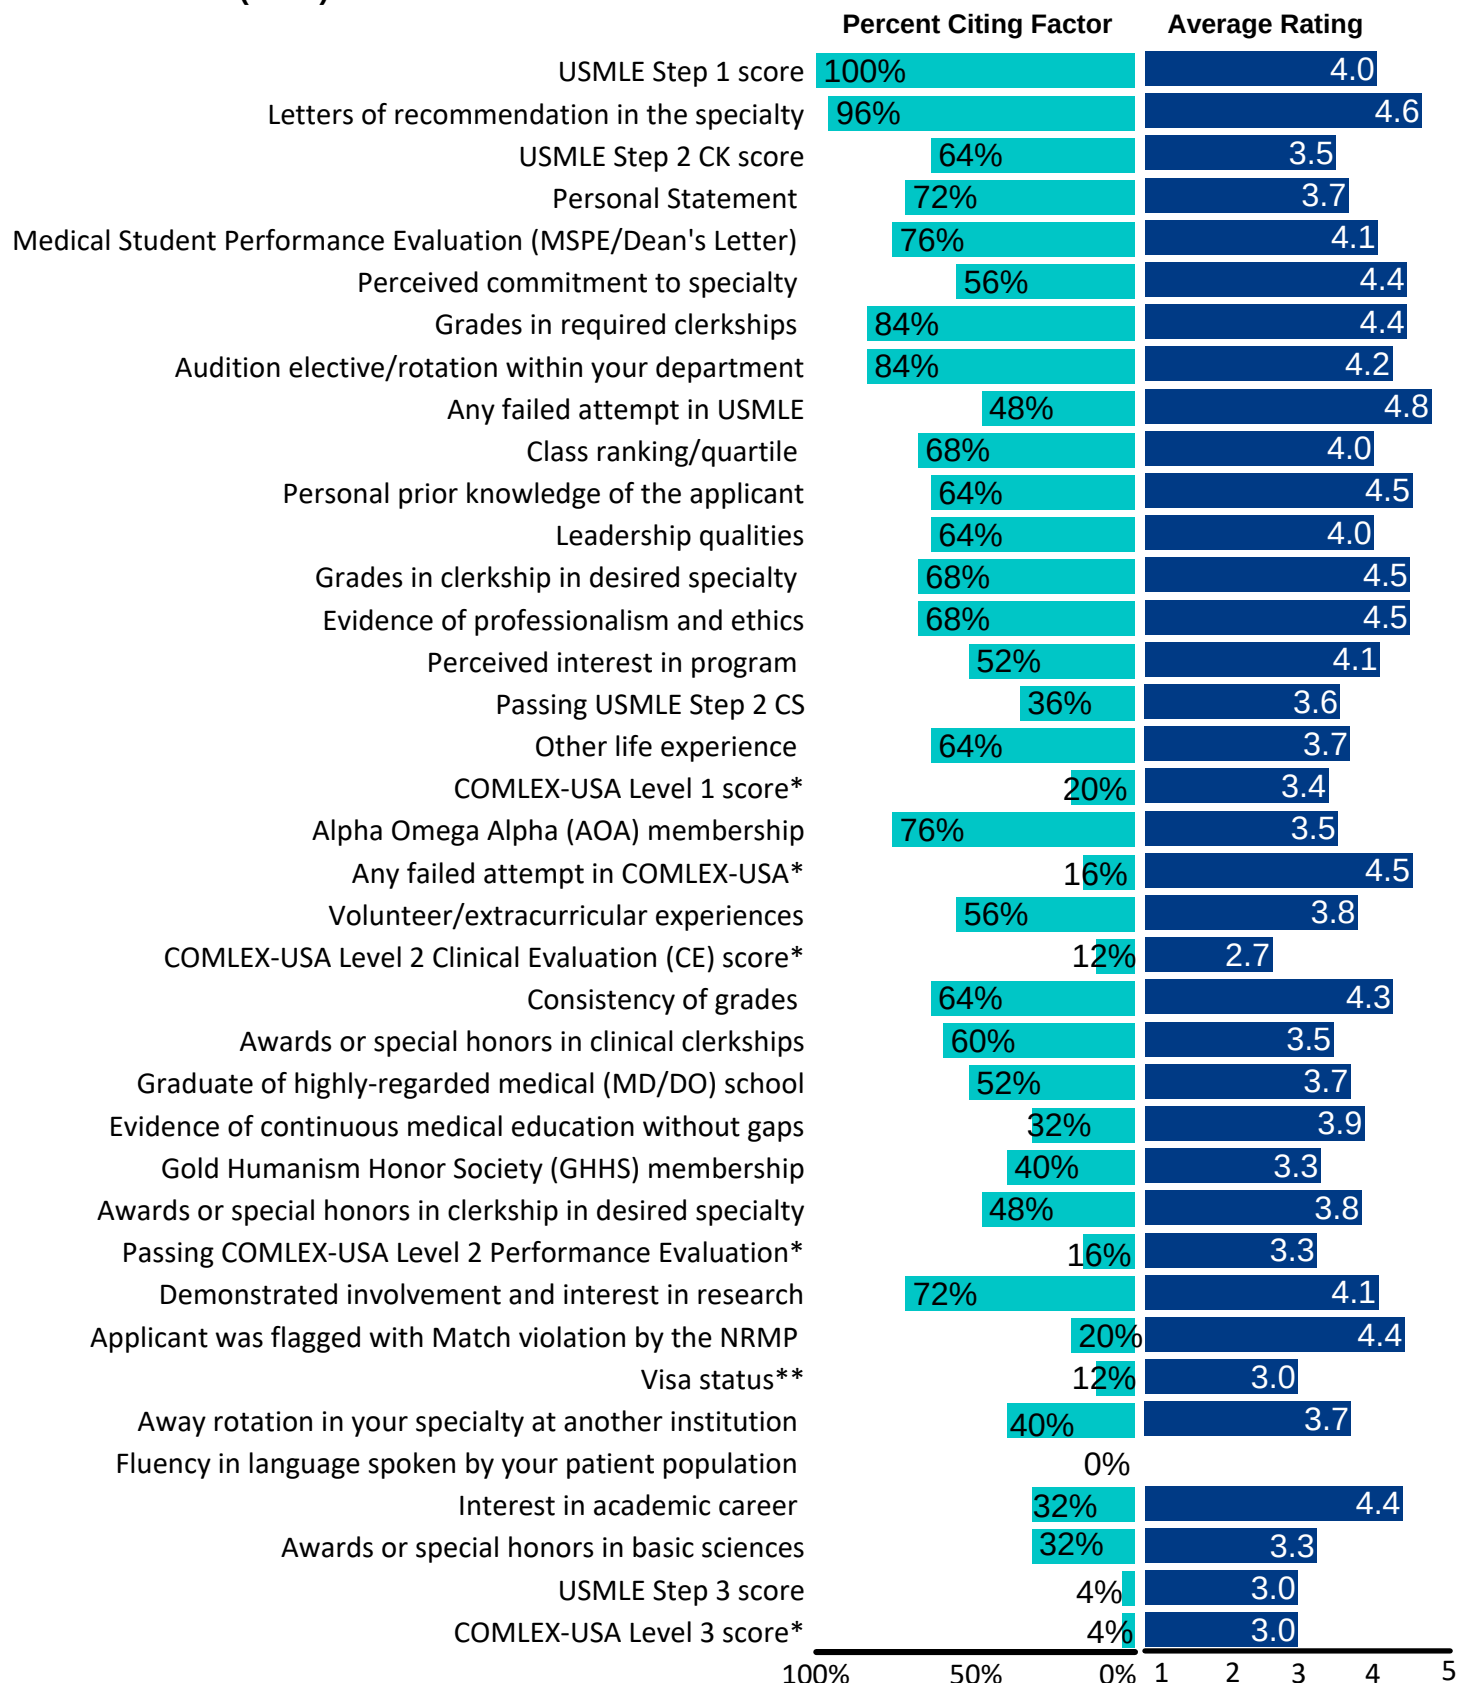

* DO seniors/graduates only.

** International Medical Graduates only.

Figure O-1

Otolaryngology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=25)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

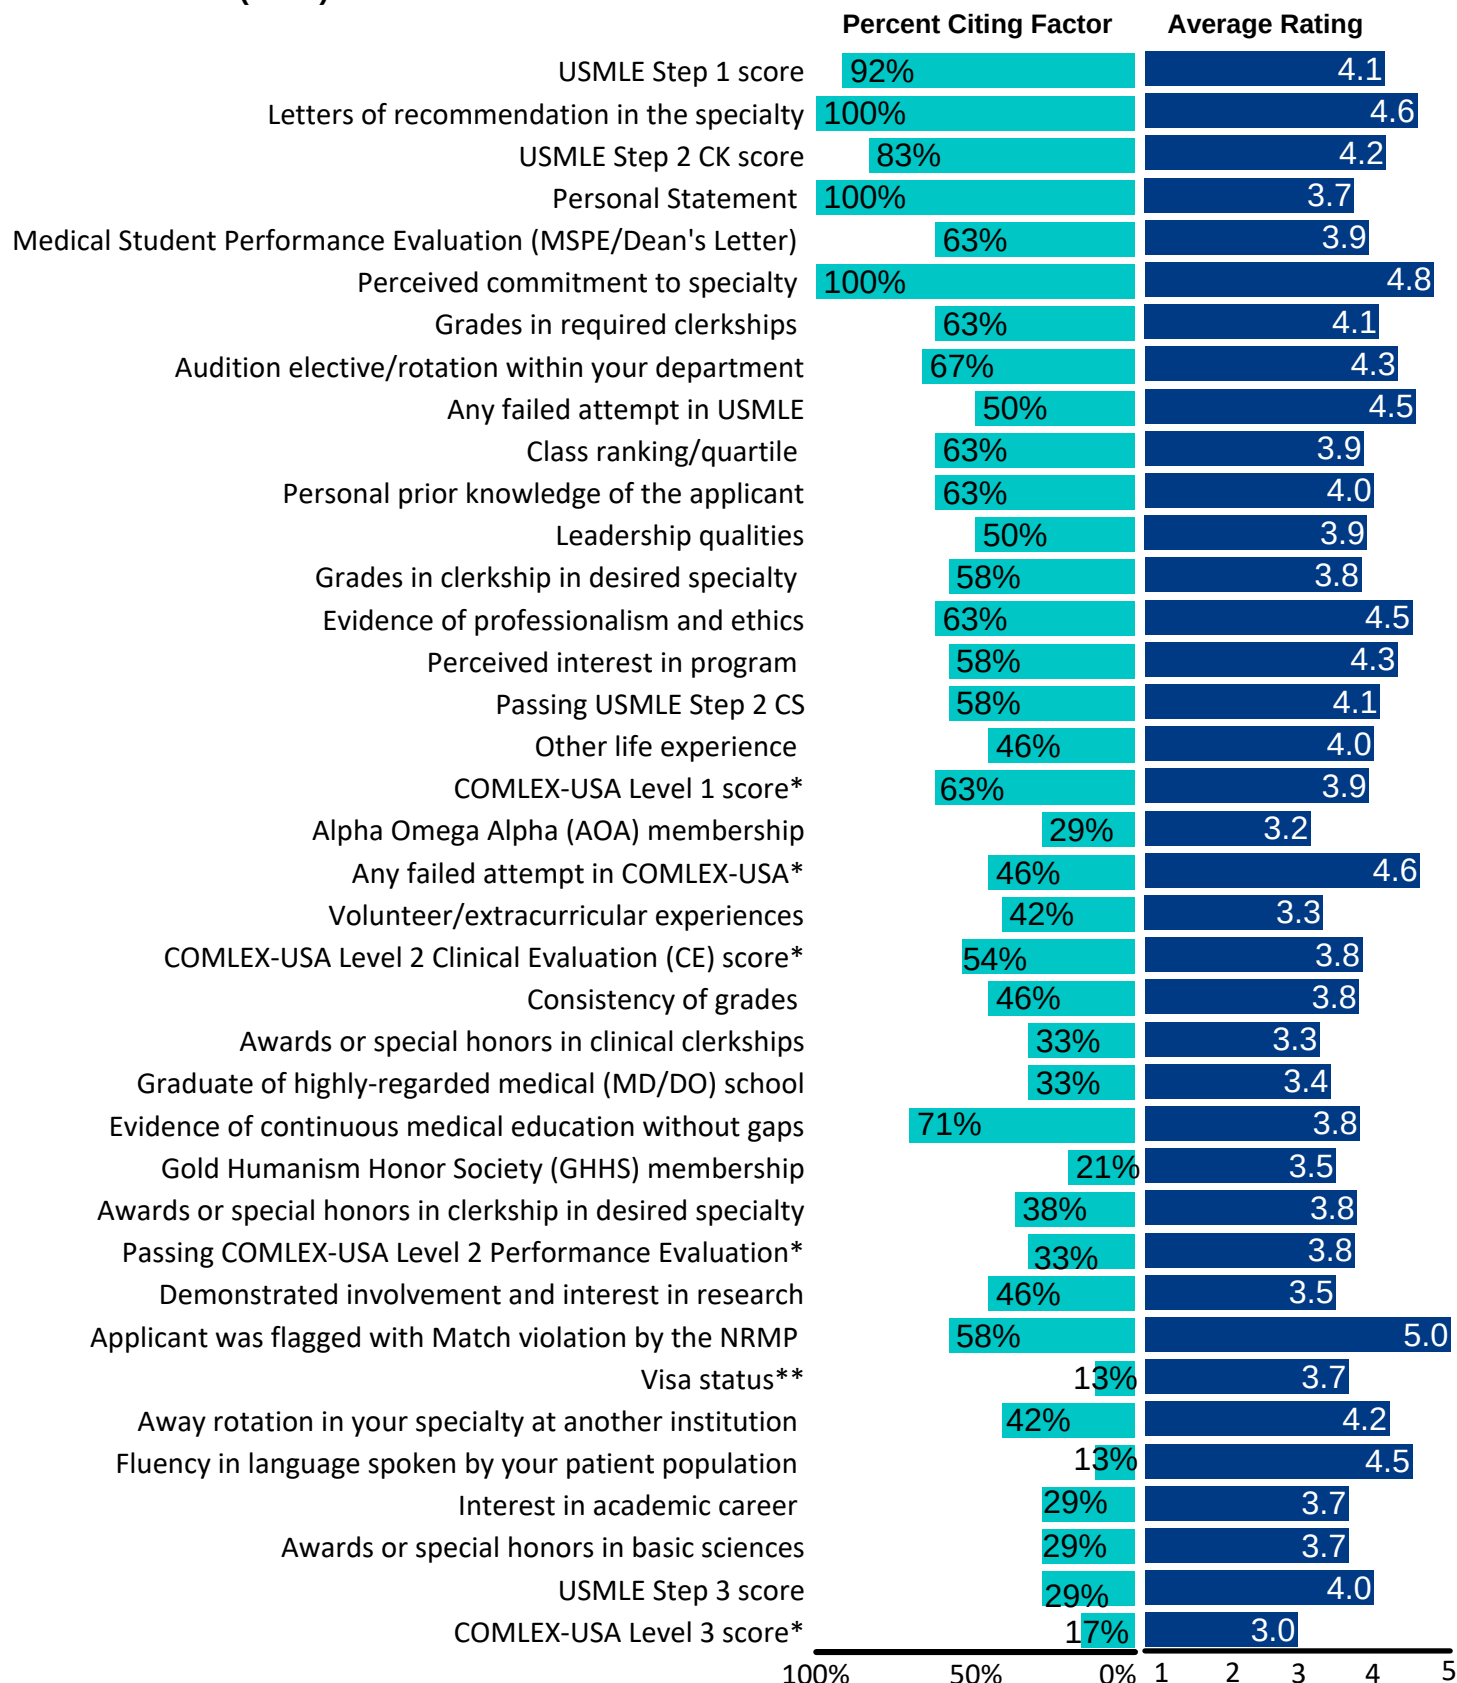

* DO seniors/graduates only.

** International Medical Graduates only.

Figure PA-1

Pathology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=24)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

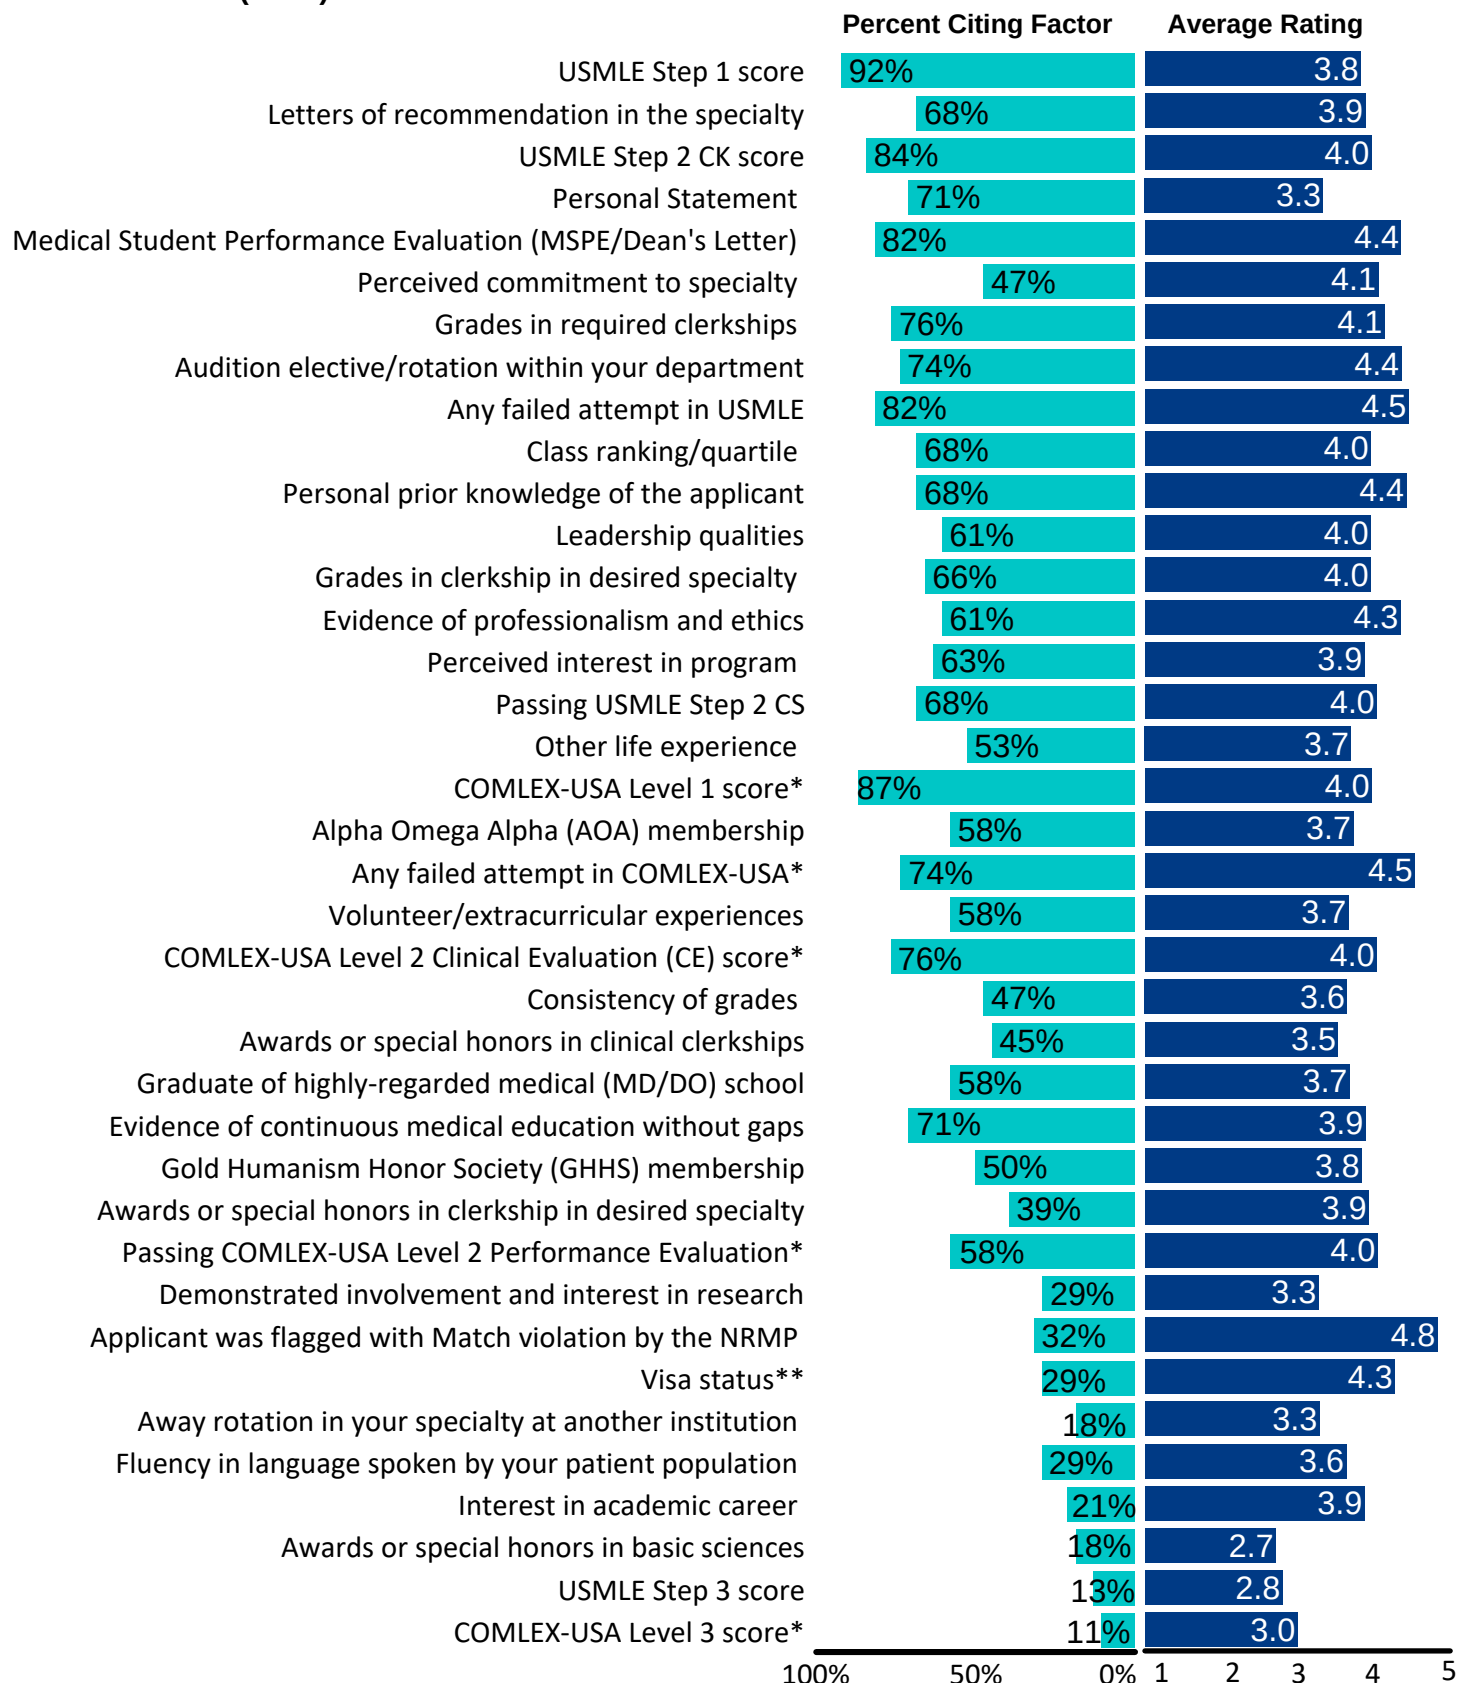

* DO seniors/graduates only.

** International Medical Graduates only.

Figure P-1

Pediatrics

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=38)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

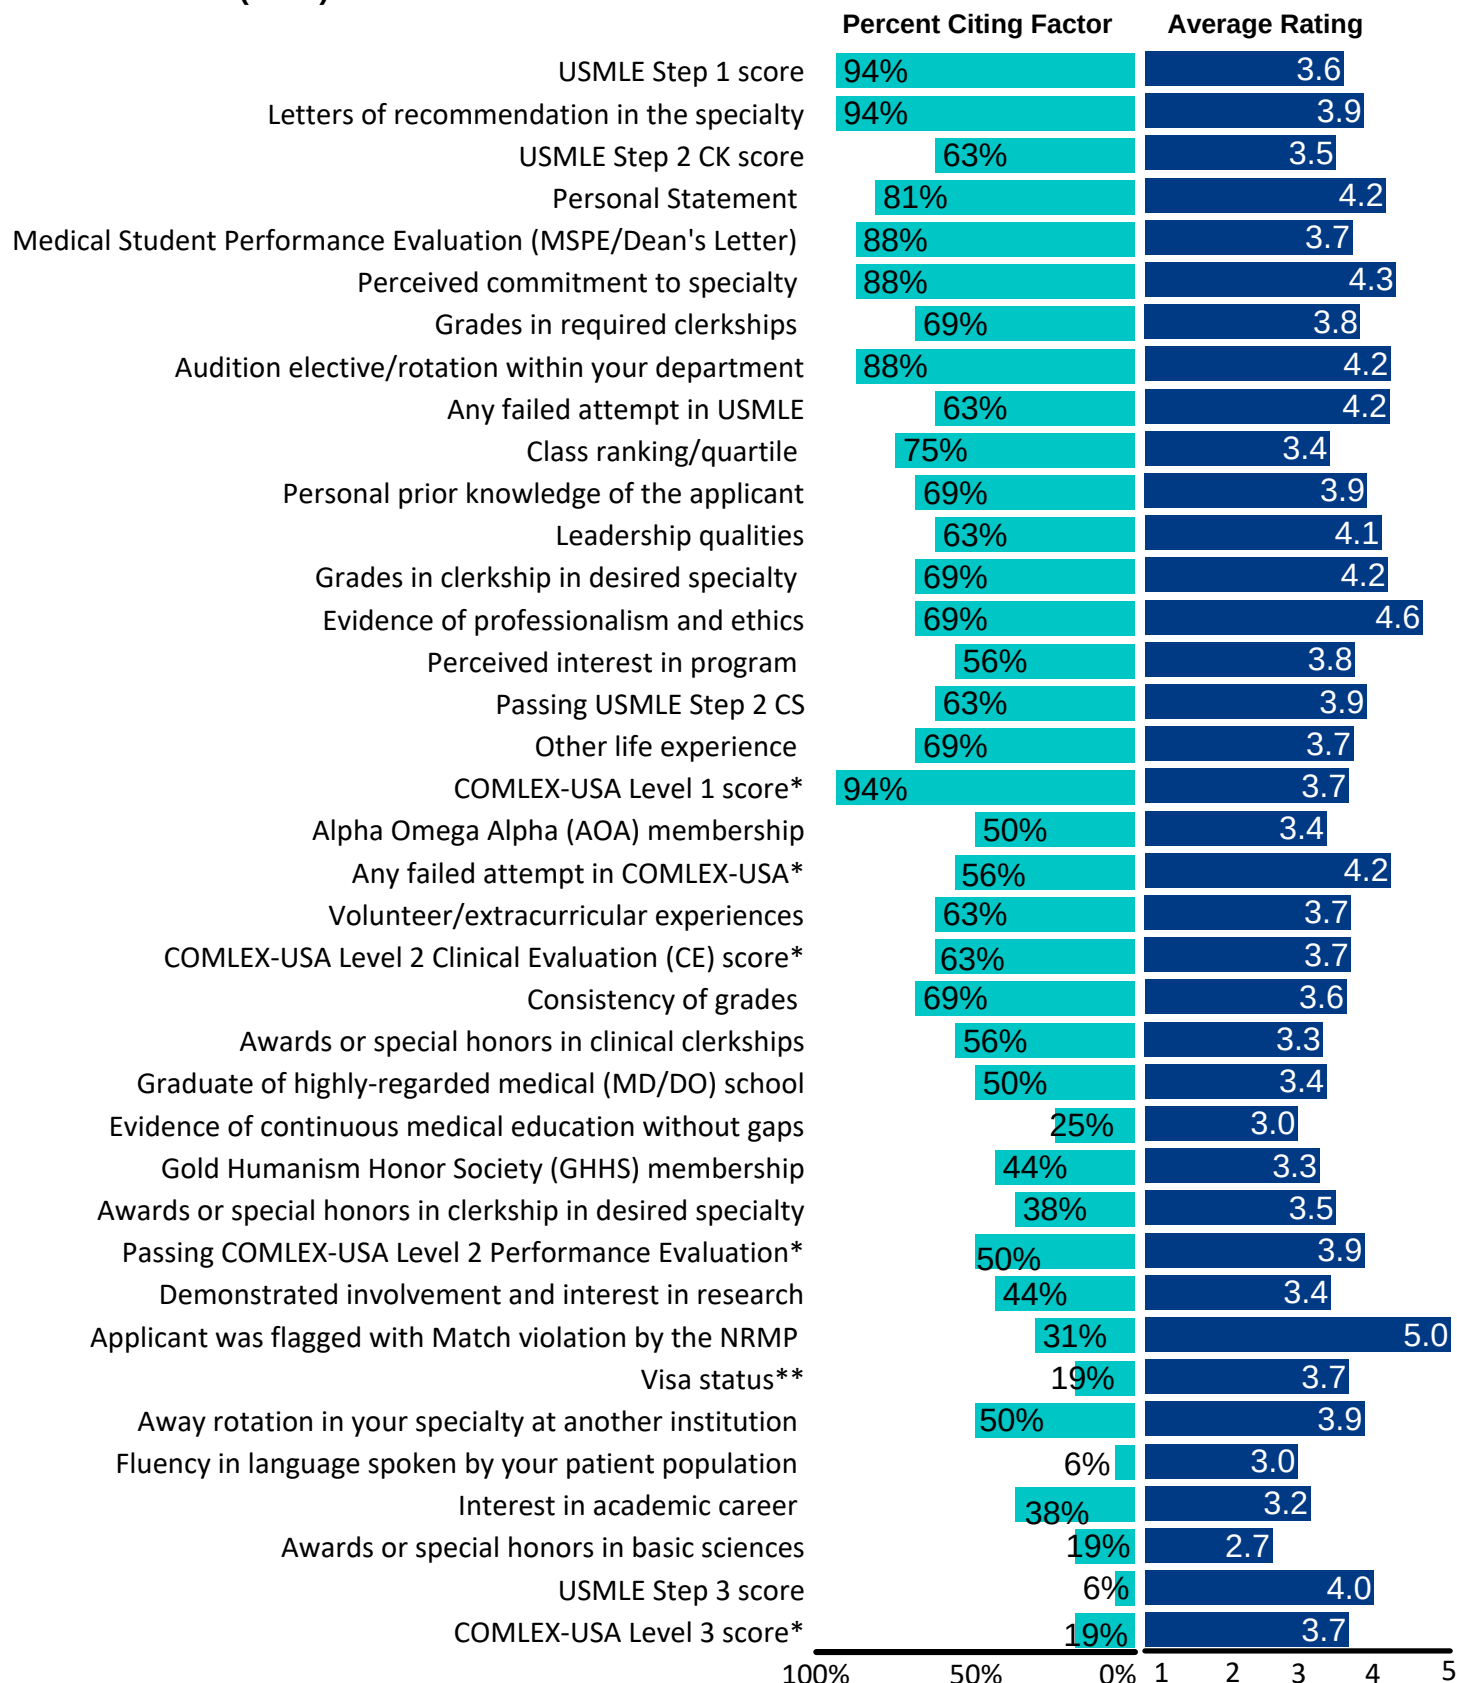

* DO seniors/graduates only.

** International Medical Graduates only.

Figure PMR-1

Physical Medicine and Rehabilitation

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=16)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

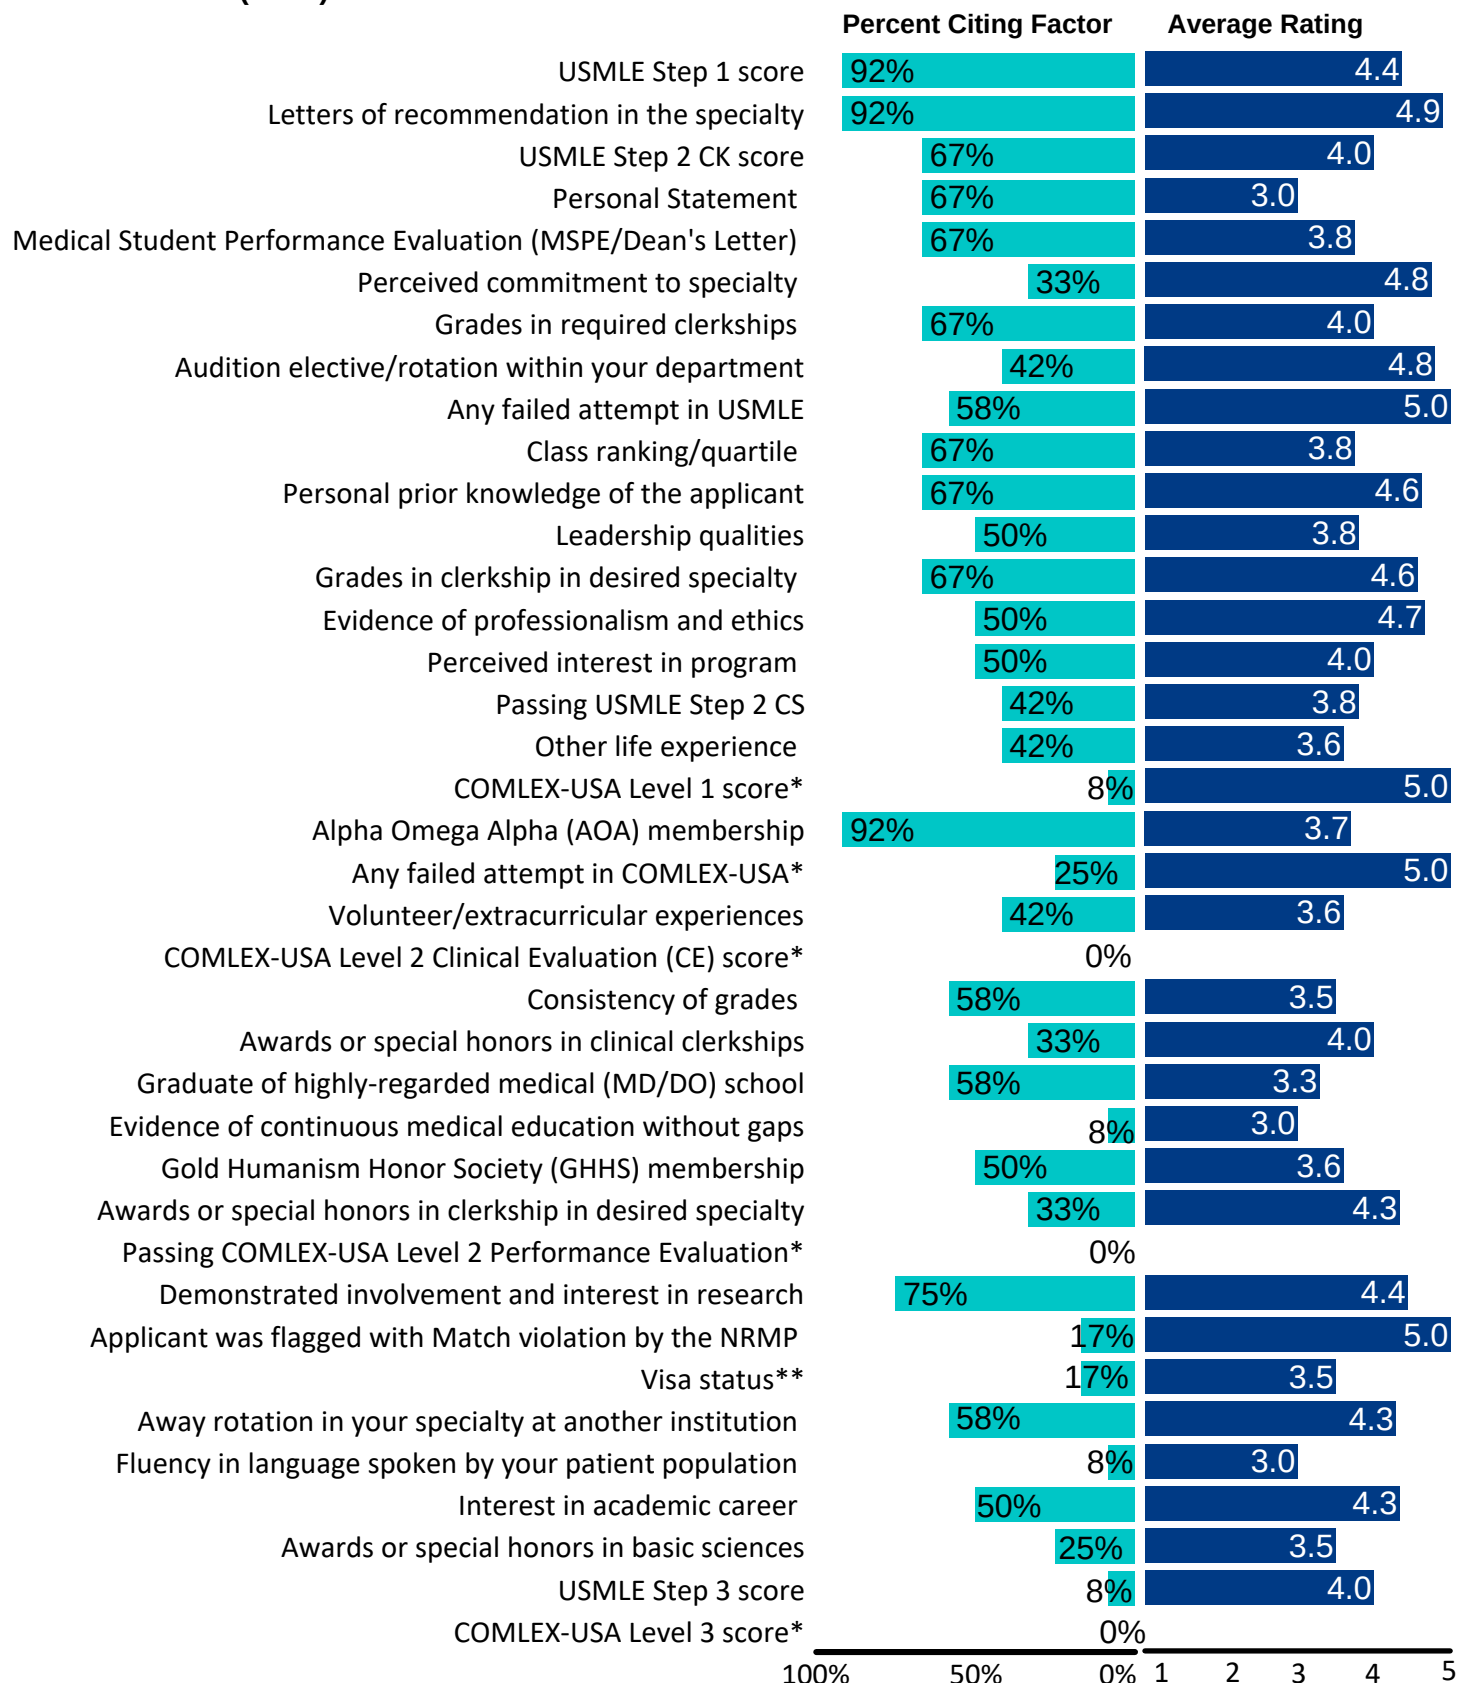

* DO seniors/graduates only.

** International Medical Graduates only.

Figure PS-1

Plastic Surgery

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=12)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

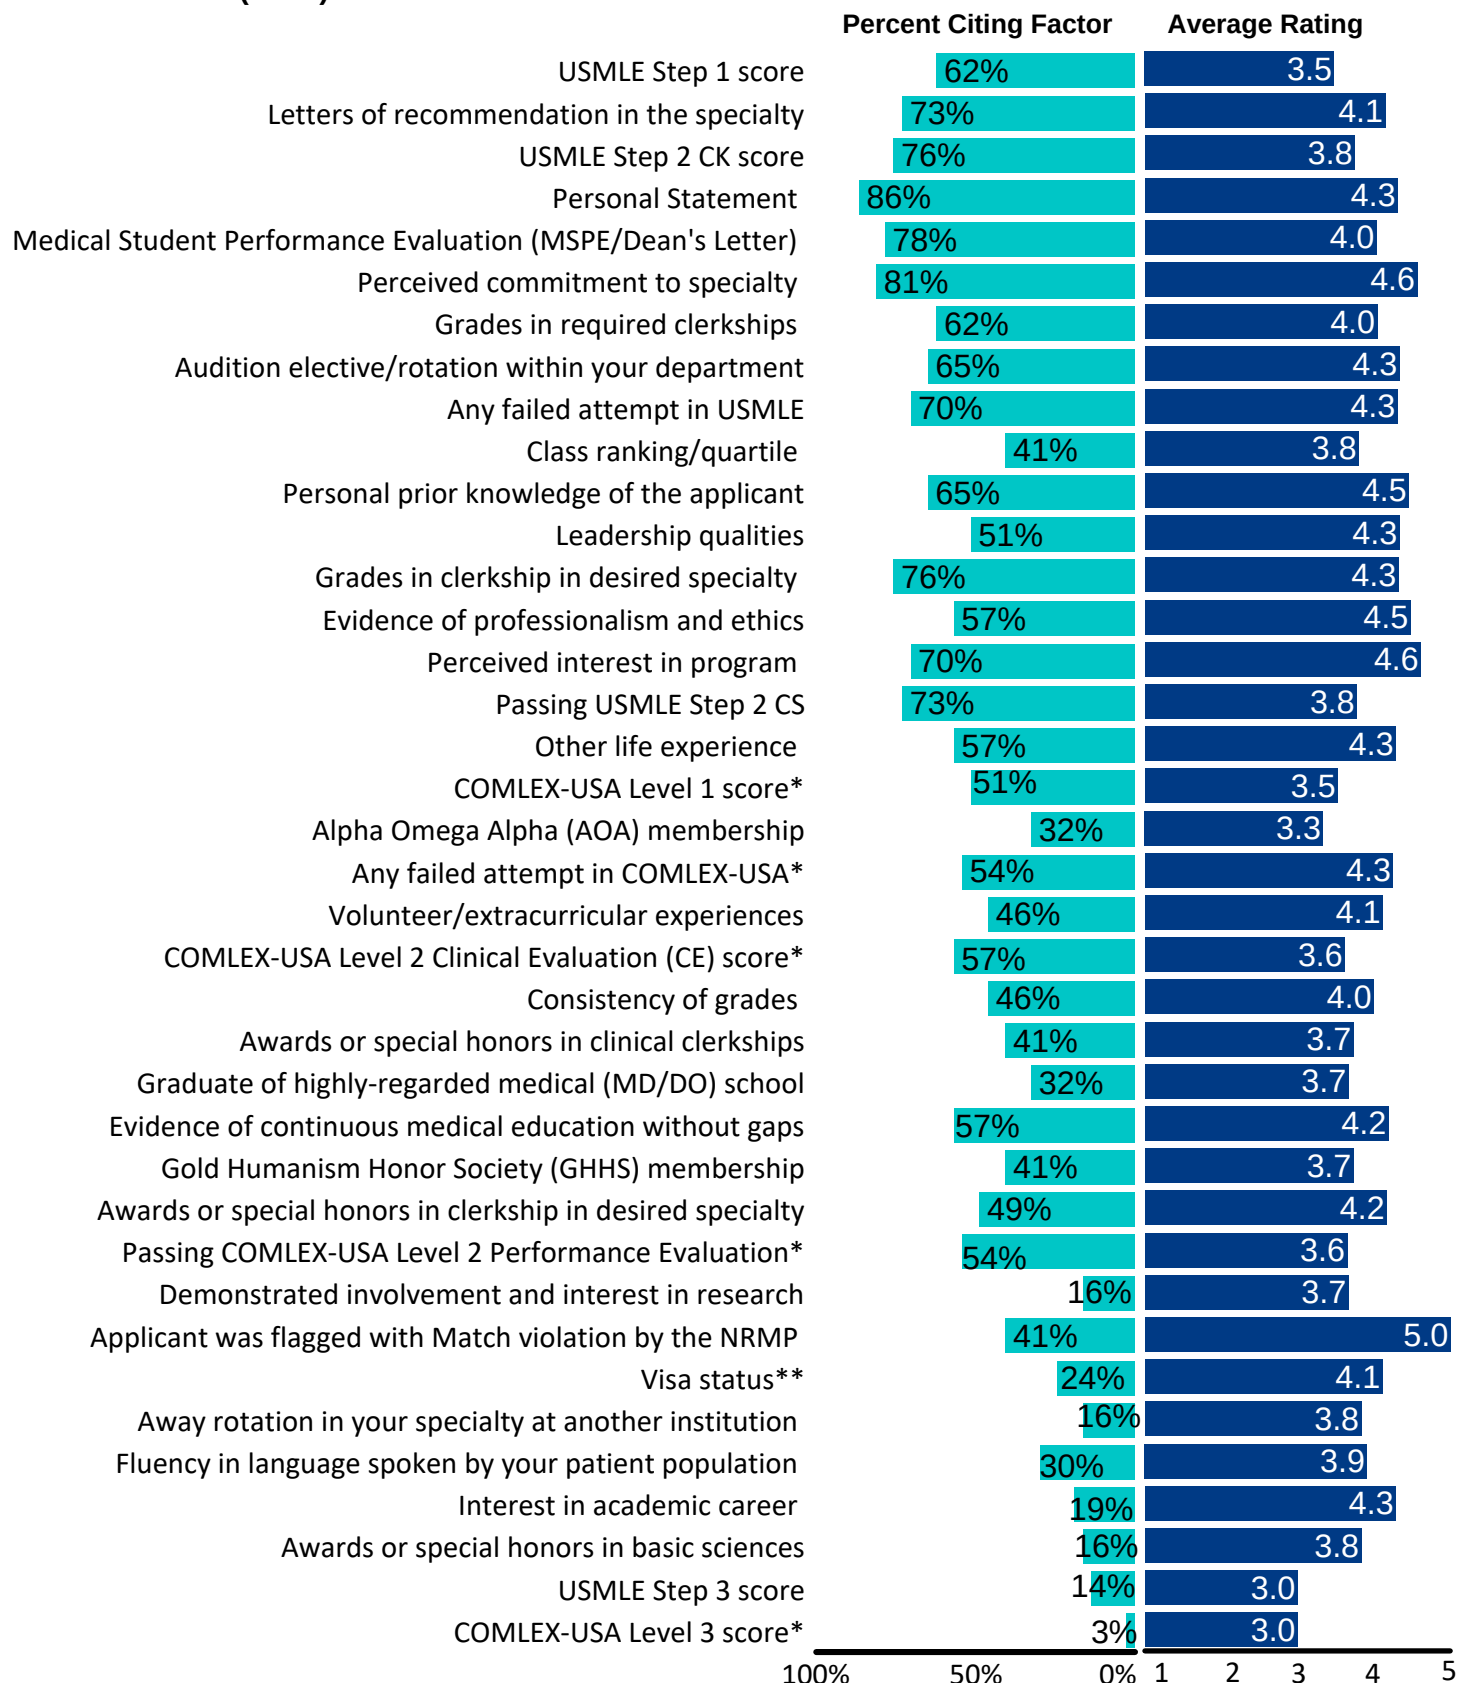

* DO seniors/graduates only.

** International Medical Graduates only.

Figure PSY-1

Psychiatry

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=37)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

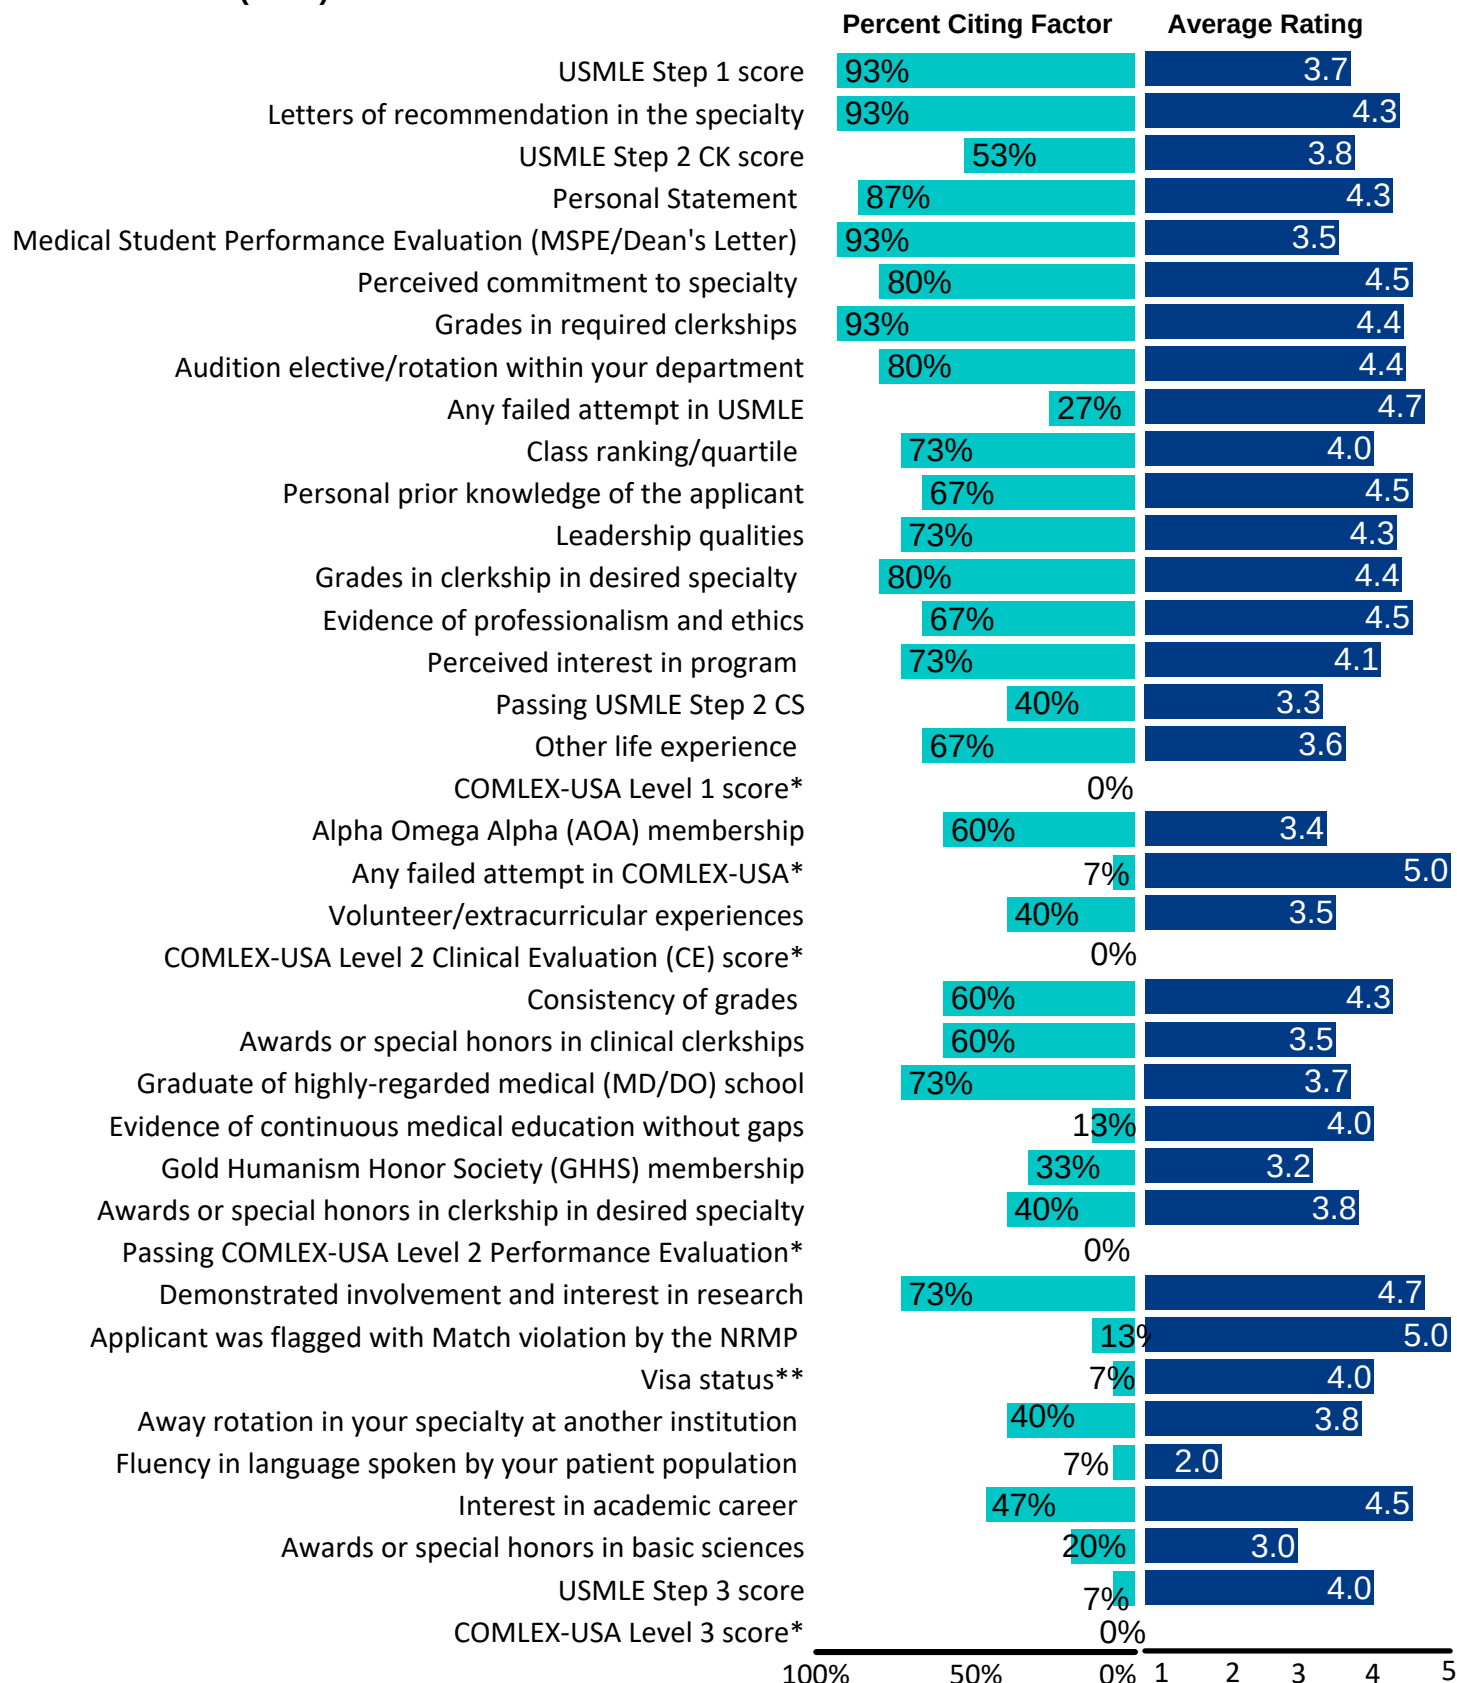

* DO seniors/graduates only.

** International Medical Graduates only.

Figure RO-1

Radiation Oncology

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=15)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

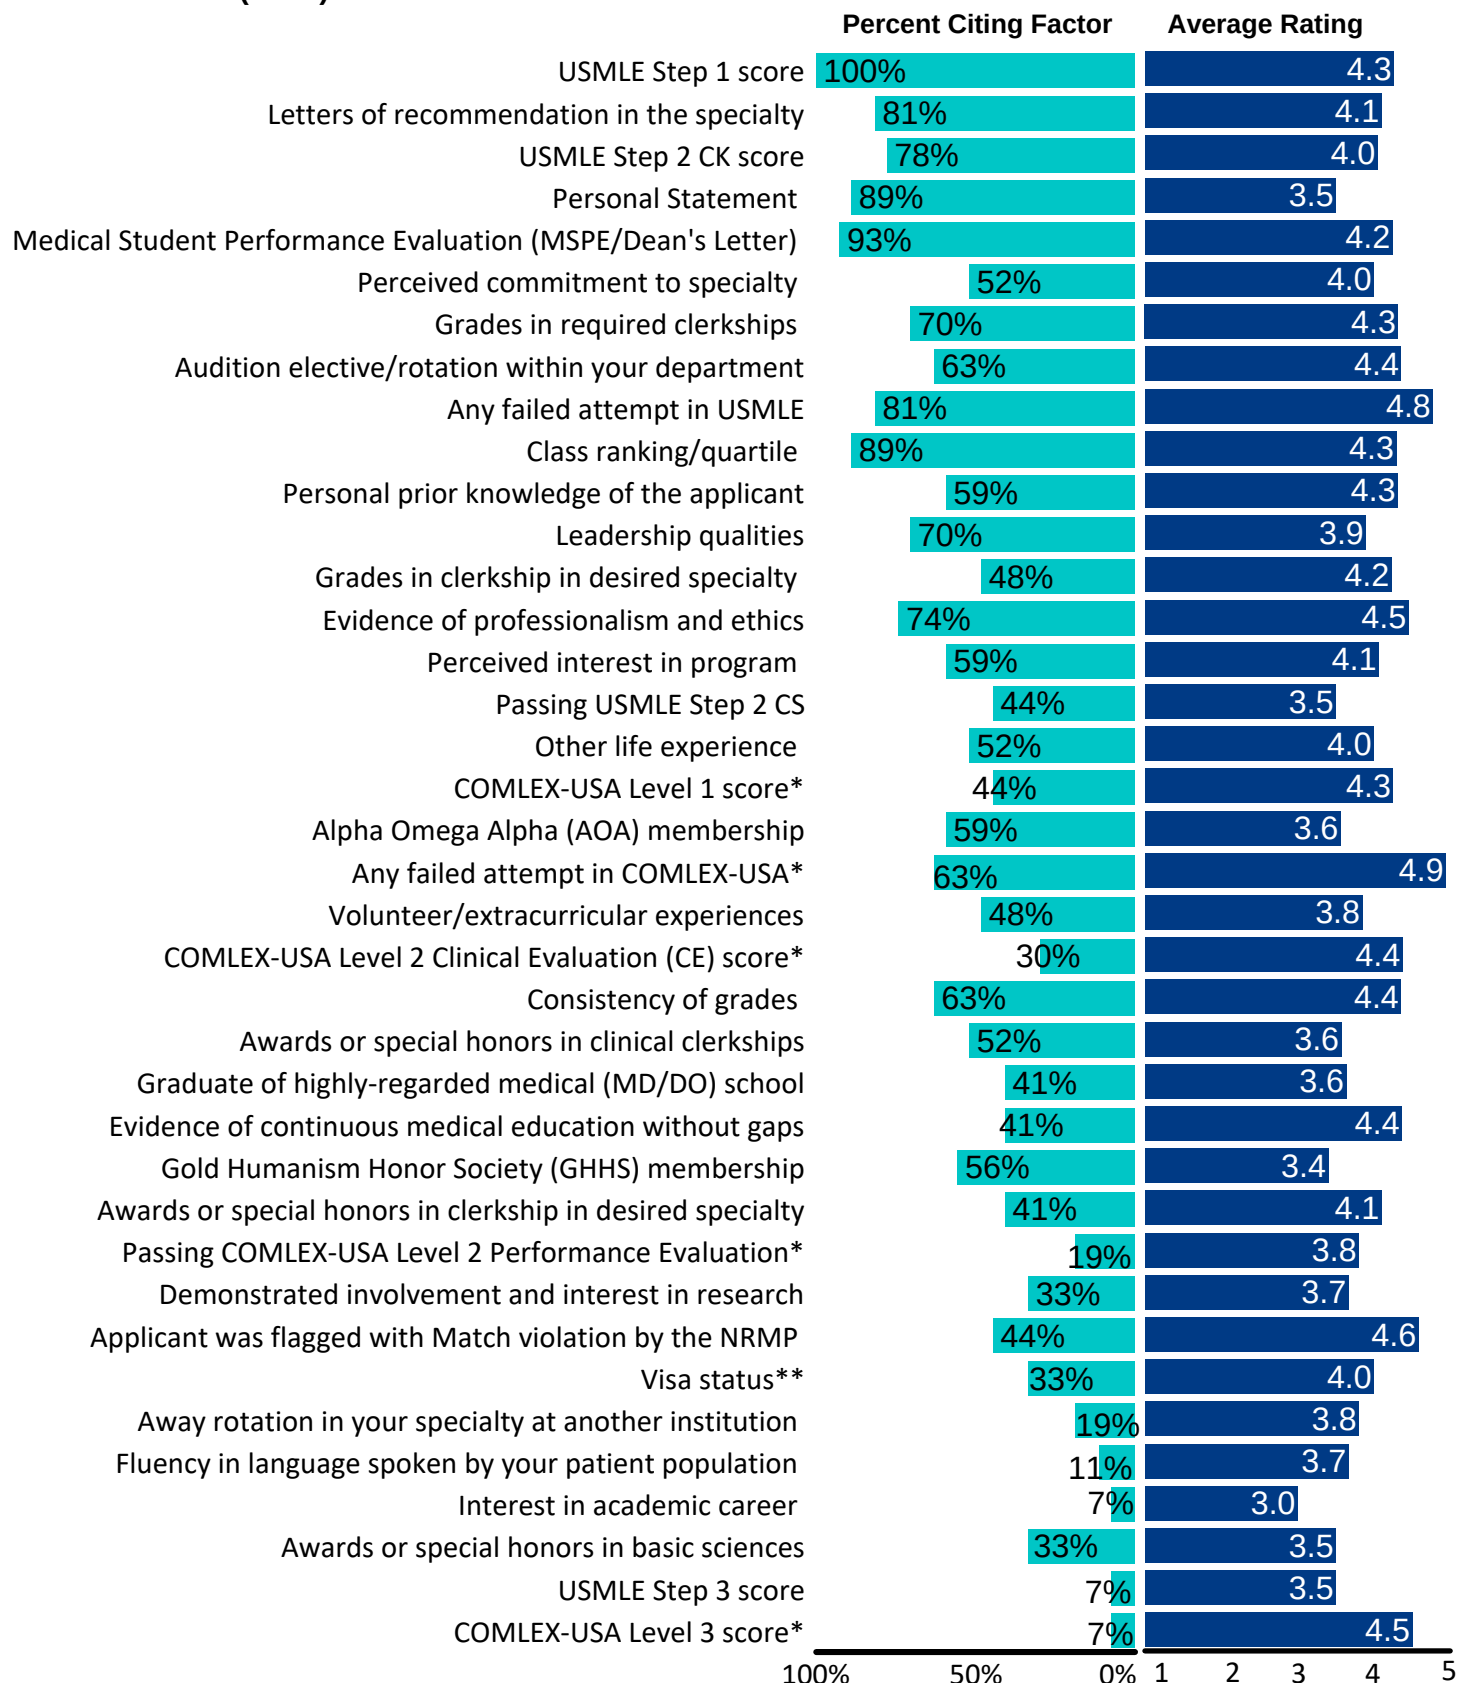

* DO seniors/graduates only.

** International Medical Graduates only.

Figure RD-1

Radiology-Diagnostic

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=27)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

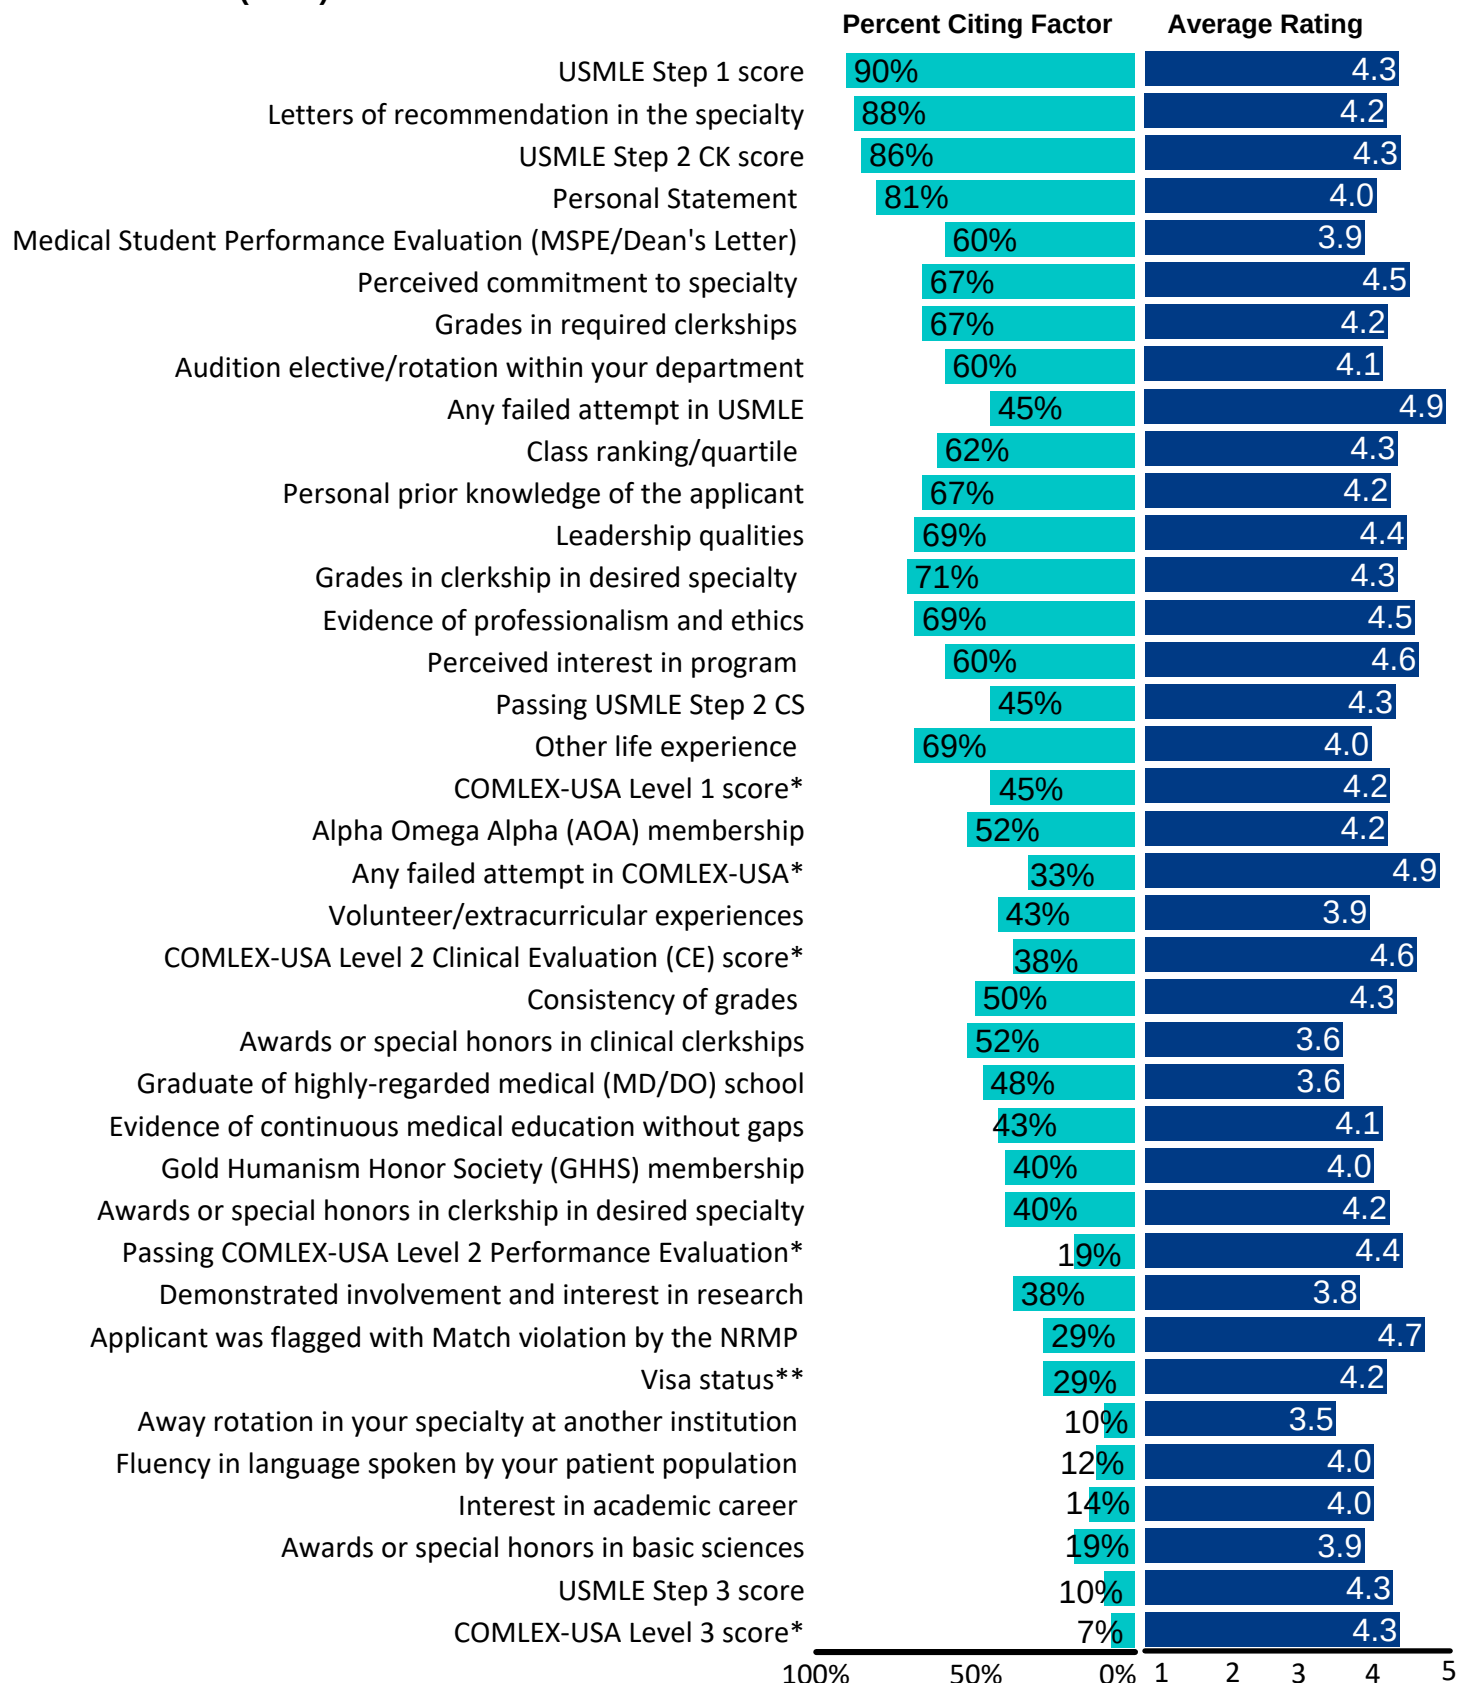

* DO seniors/graduates only.

** International Medical Graduates only.

Figure GS-1

Surgery

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=42)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

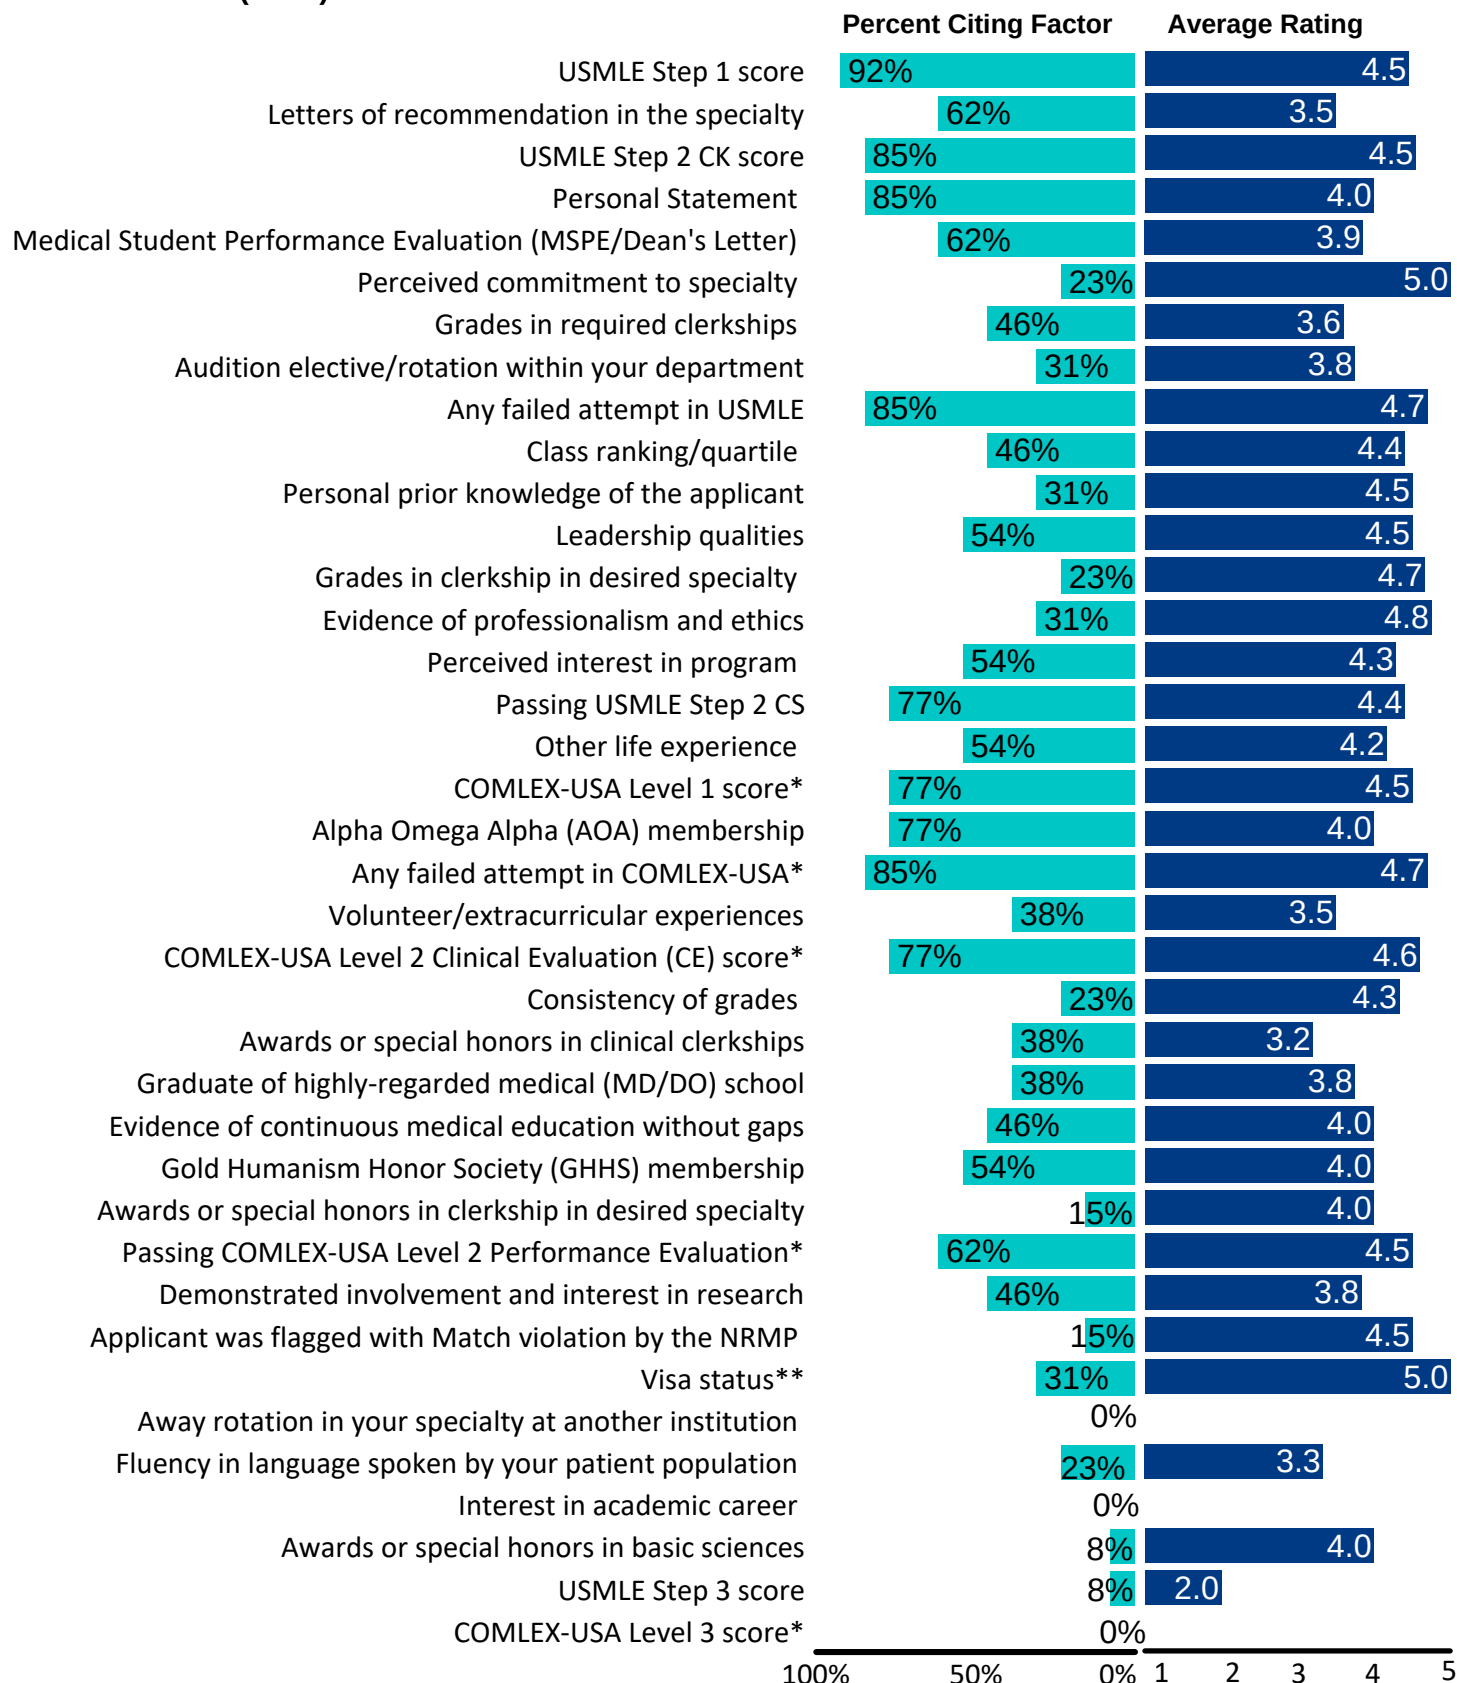

* DO seniors/graduates only.

** International Medical Graduates only.

Figure TY-1

Transitional Year

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=13)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

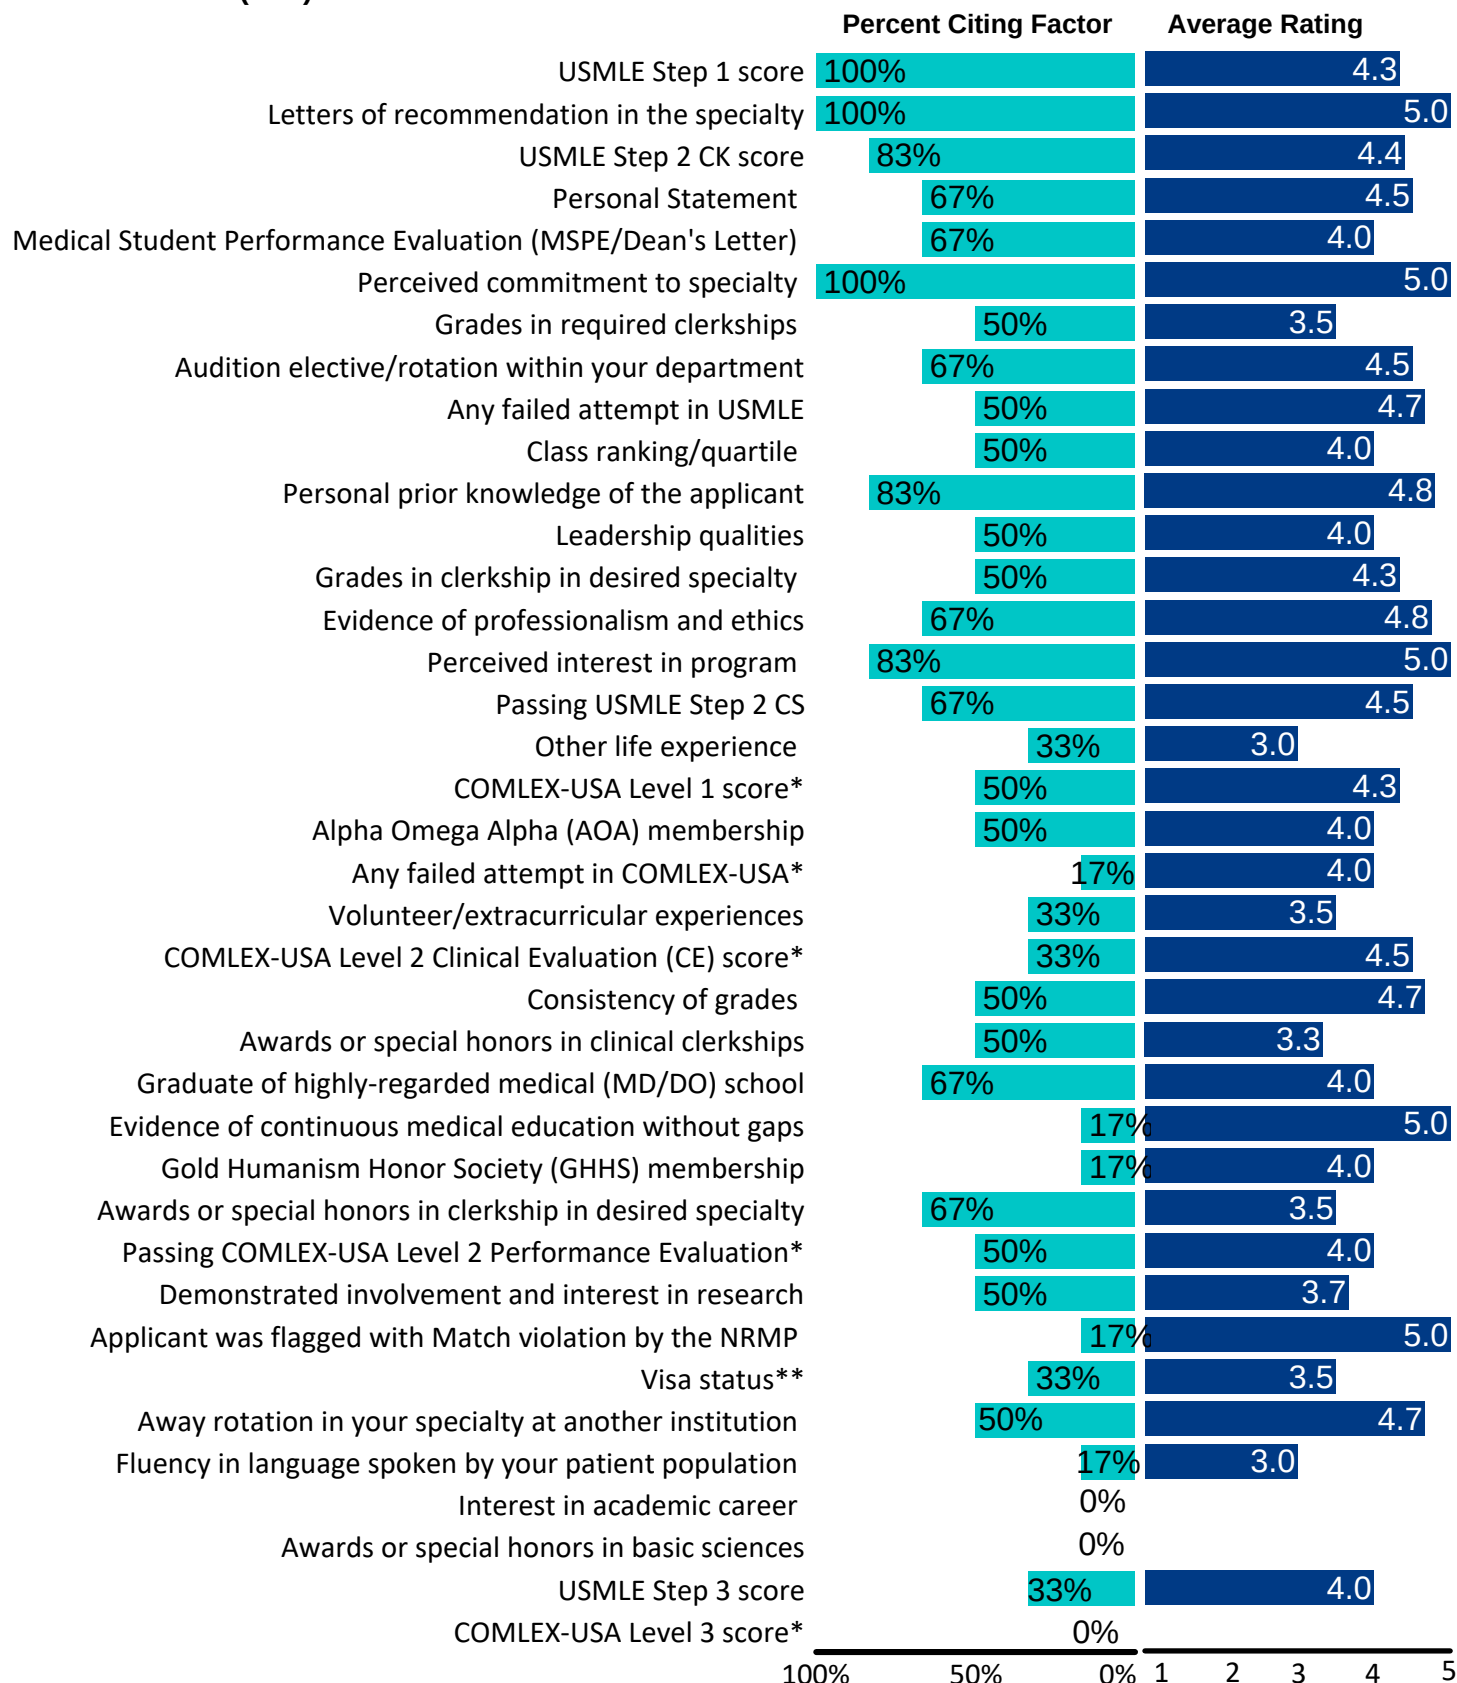

* DO seniors/graduates only.

** International Medical Graduates only.

Figure VS-1

Vascular Surgery

Percentage of Programs Citing Each Factor And Mean Importance Rating¹ for Each Factor in Selecting Applicants to Interview (N=6)

¹ Ratings on a scale from 1 (not at all important) to 5 (very important).

* DO seniors/graduates only.

** International Medical Graduates only.
